SOUTH RIBBLE BOROUGH COUNCIL

The South Ribble Borough Council (Leyland Road, Lower Penwortham) (Prohibition of Waiting) Order 1992

Notice is hereby given that the South Ribble Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972, with the Lancashire County Council and after consultation with the Chief Officer of Police, has made an Order under sections 1(1), 2, 3 and 4(2) of the Road Traffic Regulation Act 1984. The Order will come into effect on Monday, 8th February 1993.

The intention of the above Order is to introduce waiting restrictions on Leyland Road and Talbot Road, Lower Penwortham. The restrictions on Talbot Road will be on both sides from Leyland Road eastwards to the entrance of No. 41 Leyland Road.

The whole length of Leyland Road from No. 9 to Swallow Avenue will be no parking at any time, on any day *except* for both sides of the road between the dismantled railway line to outside No. 31 Leyland Road, from the Royal British Legion Club to outside No. 61 and, from the boundary of Nos. 62-64 to outside No. 54 Leyland Road.

Due to a number of accidents involving pedestrians the Council has produced a remedial scheme consisting of four pedestrian refuges. At these locations the land width will be reduced to a minimum 3.5 metres and also, taking into consideration the residential nature of the road, it is necessary to introduce waiting restrictions, prohibiting waiting at any time on any day. Thus ensuring that the carriageway is left clear of parked vehicles adjacent to the refuges thereby allowing the traffic to progress unobstructed along the road and provide areas where the visibility of pedestrians wishing to cross the road not be obscured by parked vehicles.

A copy of the draft Order, Schedule, plans showing the exact lengths of road affected and statement of reasons for making the Order, can be inspected during normal office hours at the offices of the Council.

Any person wishing to question the validity of the Order, or of any of its provisions contained therein, on the ground that it is not within the powers of the relevant section of the Road Traffic Regulations 1984, or on the ground that any requirement of that section had not been complied with in relation to the Order, may, within 6 weeks make application for the purpose to the High Court.

On 20th February 1992 a notice appeared on page 3050 of *The London Gazette* stating that Commercial Ltd., trading as CDM Associates, had called a Meeting of Creditors. This notice was incorrect and should have read Commercelight Ltd v/a CDM Associates. A subsequent amendment which appeared on 25th February 1992 on page 3352 was also incorrect as it quoted the original date of insertion as 20th March 1992, not 20th February. It also failed to disassociate Commercial Ltd. with the original notice. We would like to point out that the use of the name of Commercial Ltd. was an error and purely coincidental. *The London Gazette* apologises to the Directors/Shareholders of Commercial Ltd. and regrets any inconvenience caused due to this error.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
