Hague, June 11. The Council of State had formed a  
Plan for reducing the Land-Forces maintained in time of  
Peace by this State, from 46611 Men to 40270, as soon  
as the Treaty of Barrier shall be concluded ; which Plan  
was not ill received by the States of this Province of Hol-  
land, and was sent to the other Provinces for their Per-  
rual and Approbation ; but the States of Gelderland have  
by their Deputies already made a vigorous Remonstrance  
against it, setting forth that they are ready to consent to  
any other Expedient for lessening the general Burthen of  
the Taxes, but that they cannot consent to this Reform,  
which would too much endanger the Publick Safety ;  
being rather of Opinion, that the present Number of Forces  
should be increased to 50000. There are Letters from  
Adrianople by the way of Vienna, dated the 28th of April,  
which relate that the Captain Pashaw being very much  
indisposed, had been obliged to be carried ashore ; and that  
the Departure of the Turkish Fleet from the Dardanells  
was retarded till he should be able to take the Command  
upon him, or till the Grand Signior should appoint another  
Admiral in his Room.

Whereas there has been a Warrant lately granted for ap-  
prehending William Wight, late an Officer in the Right Ho-  
nourable the Lord Winiford's Regiment, upon Information of

Libels ; and he having absconded himself, his Majesty is gra-  
ciously pleased to Promise a Reward of 50 l. to be paid by the  
Lords Commissioners of the Treasury, to such Person or Persons  
as shall discover the said William Wight, so as that he may  
be apprehended.
