LONDON BOROUGH OF HARINGEY

London Borough of Haringey, The (Wood Green) (Parking Places) (No. 1) Traffic Order 1993

Notice is hereby given that the Council of the London Borough of Haringey proposes to make the above-mentioned Order under sections 45, 46 and 49 of the Road Traffic Regulation Act 1984 subject to modifications which appear to be desirable following extensive local consultations. The Council's intention to make the Order and the general effect of the Order were originally advertised in a notice dated 24th September 1992 appearing in this newspaper. The purpose of today's notice is to draw attention to the

modifications now proposed to the Order and to give persons likely to be affected by them an opportunity to make representations in connection with such modifications.

The general effect of the Order will be to implement a Controlled Parking Zone (CPZ) in Wood Green using restricted parking spaces in order to reduce and control the problems of all day parking mainly by commuters. The CPZ will enable priority to be given to residents, shoppers, business and short stay visitors. The scheme will operate between 8 a.m. and 6.30 p.m. Mondays to Saturdays.

The modifications proposed to the CPZ scheme are described below.

The area to be covered by the CPZ scheme will now include Bridge Road, Falkland Road, The Sandlings and Sirdar Road and it will extend further eastward along Lordship Lane. Residents bays and free bays will form the majority of the bays in these five areas.

Additional parking bays will be introduced in Berners Road, Gathorne Road, Noel Park Road, Park Avenue, Station Road, Stuart Crescent and White Hart Lane. There will be minor adjustments to the bays in Alexandra Road.

None of the parking bays in Frome Road will be available for use until early 1995 because of the diversion works in Westbury Avenue.

A number of the residents' bays in Ashley Crescent and Wightman Road (and its immediate vicinity) will be replaced by shared-use bays.

A number of the shared-use bays in Carlingford Road, Crescent Road, Graham Road and Langham Road will be replaced by residents' bays.

Residents in Gladstone Mews, Hardy Passage and Jack Barnett Way will be able to obtain residents' parking permits even though there are no parking bays in those roads.

The charge for a resident's parking permit, valid for one year, will be reduced from £50 to £24. The charge for a 6 months permit will be reduced from £28 to £24.

There will be additional free bays within the CPZ area and some of the bays already proposed will be adjusted. Parking within a free bay will be permitted without charge for a maximum period of 2 hours. Return by the same vehicle will be prohibited within 2 hours of departure.

The number of short stay visitor parking permits available each year for purchase by residents in the CPZ area will double so that each resident aged under 60 years will be able to purchase 60 permits per year costing a total of £10. Each resident aged 60 years or over will be able to purchase 120 permits per year at the same total cost of £10. The short stay visitor parking permits will allow a visitor to park in residents' parking bays or shared-use bays for a period of up to four hours. Further details of proposed charges may be obtained from the Borough Engineer's Service on the telephone number shown below.

The Council is now proposing to introduce two new types of visitor parking permits, a weekend permit and a two week permit, which residents in the CPZ area will be able to purchase for their visitors to enable them to park in residents' parking bays or shared-use bays.

Each resident aged under 60 years will be able to purchase weekend visitor parking permits up to a maximum of 10 per year at a charge of £4 per permit. Each resident aged 60 years or over will be able to purchase such permits up to a maximum of 20 per year at a charge of £2 per permit. A permit will allow a visitor to park in any authorised bay starting at 12 noon on a Friday until the expiry of the permit at 12 noon the following Monday.

Each resident aged under 60 will be able to purchase two-week visitor parking permits up to a maximum of two per year at a charge of £4 per permit. Each resident aged 60 years or over will be able to purchase such permits up to a maximum of four per year at a charge of £2 per permit. A permit will allow a visitor to park in any authorised bay starting at any time until the expiry of the permit at the same time on the fourteenth day thereafter.

A copy of the proposed Order as modified, a plan indicating the effect of the Order as modified, a copy of the Haringey (Waiting and Loading Restriction) Order 1978 which would be amended by the proposed Order, can be inspected between 9 a.m. and 4.45 p.m. on Mondays to Fridays inclusive until the expiration of the period of 21 days from the date on which this notice is published at:

- Legal Service, Alexandra House, 10 Station Road, Wood Green N22 4TR.

Further information may be obtained by telephoning the Borough Engineers Service on 081 975 9700, ext 1233/1234/1765.

TOWN AND COUNTRY PLANNING ACTS

SOUTH PEMBROKESHIRE DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990 SECTIONS 69 TO 73

Conservation Area: Lamphey

Notice is hereby given that the South Pembrokeshire District Council has resolved to designate a part of Lamphey village in South Pembrokeshire as a Conservation Area. The Conservation Area at Lamphey is located to the north of the Pembroke Dock to Tenby railway line and outwith the Pembrokeshire Coast National Park. The designated area includes the following properties within the village itself; Station House, Herbert Villa, Rock Mead, the Bakery, including the dwelling known as the Venison, the Vicarge, together with the adjacent Church Room, the property immediately east of the Vicarge which fronts the A4139 road, the Lamphey Hall Hotel, the Forge and its outbuilding, the Church of St. Tyfei and St. Faith, the School House, and the property immediately adjacent to this to the south, Court Farm and a number of its outbuildings, Devon House, the Dial Inn, numbers 1, 2 and 3 Glebe Cottages and the Lodge. The Conservation Area also includes, in most cases, curtilage areas around these buildings. The Churchyard and the amenity area on the southern side of the Ridgeway Road (C3005), to the south of Court Farm and Devon House, also fall within the designated area. Beyond the village of Lamphey, the Conservation area extends north to incorporate the Lamphey Court Hotel and the Bishop's Palace, together with the land between these properties and the village, including Ordnance Survey Parcel Numbers 4670, 6973 and 5300, plus a number of smaller parcels of land adjacent to these. A significant amount of land adjacent to the Lamphey Court Hotel and

the Bishop's Palace is also included within the Conservation Area to reflect the historical, architectural, archaeological and landscape value of these properties and their grounds.

A plan illustrating the area designated may be inspected during normal office hours in the Planning and Technical Services Department of the District Council, District Offices, Llanion Park, Pembroke Dock. A conservation area study has also been prepared for Lamphey.

Attention is drawn to the fact that the designation of the Conservation Area:

- (1) Requires that a building shall not be demolished without the consent of the appropriate authority.
- (2) Means that special attention shall be paid to the desirability of preserving or enhancing the character or appearance of that area. This applies to buildings and structures, together with wider setting.
- (3) Introduces local authority control over works to trees not already protected by Tree Preservation Orders.
- (4) Means that permitted development rights are reduced.

Other restrictions may also apply or be introduced in the designated area.

G. H. James, Chief Executive

District Offices, Llanion Park,
Pembroke Dock, Dyfed SA72 6DZ.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
