The general effect of the Order is that, whilst it continues in force, the existing prohibitions on waiting, loading and unloading by vehicles imposed by the Surrey County Council (Various Roads in Godalming) (Revocation, Prohibition and Restriction of Waiting, Loading and Unloading) (Consolidation) Order 1991, in so far as it relates to the entire lengths of the roads specified in the Schedule to this notice, are suspended and instead waiting by vehicles is prohibited at any time of the day or night throughout the week in the said lengths of roads.

If the provisions of the Order continue in operation for a period of not less than 6 months, or if the Order is subsequently varied by another Order under section 10 of the Act or modified pursuant to subsection (2) of section 10 of the Act, for a period of not less than 6 months from the coming into operation of that variation or modification (whichever is latest), the Council will consider in due course whether the provisions of the Order should be reproduced

and continued in force indefinitely by means of an Order under section 1 of the Act. Persons desiring to object to the making of the Order under section 1 of the Act for the purpose of such reproduction and continuation force may, within the aforementioned period of 6 months, send a statement in writing of their objection and the grounds thereof to the County Solicitor, County Hall, Kingston-upon-Thames KT1 2DN, quoting the ref. Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
