Notice is hereby given that the Nottinghamshire County Council proposes to make an Order under the Road Traffic Regulation Act 1984, as amended, the effects of which will be that the following length of road at Cropwell Bishop in the Borough of Rushcliffe shall cease to be a restricted road (the speed limit of 30 m.p.h. will, therefore, be revoked):

Colston Road, extending from a point approximately 15 metres north-west of its junction with Kinoulton Road/Swabbs Lane in a south-easterly direction for a distance of 432 metres.

Relevant documents may be inspected at my office or at the Cotgrave Library, The Precinct, Cotgrave, Nottinghamshire. Written objections (stating grounds and quoting ref. 8009) must be received by me by 22nd October 1993.

Proposed street lighting provisions will automatically impose a 30 m.p.h. speed limit along this length of road. This is considered to be inappropriate for this type of road.

The Nottinghamshire County Council (Newcastle Avenue Service Road, Worksop) (Prohibition of Waiting) Order 1993 (554)

Notice is hereby given that the Nottinghamshire County Council proposes to make an Order under section 1 of the Road Traffic Regulation Act 1984, as amended, the effects of which will be that vehicles will be prohibited from waiting at any time in the following lengths of road at Worksop in the District of Bassetlaw:

- (a) Newcastle Avenue Service Road, west side, from its junction with Newcastle Avenue in a northerly and then westerly direction for a distance of 85 metres.
- (b) Newcastle Avenue Service Road, east side, from its junction with Newcastle Avenue in a northerly direction for a distance of 33 metres.

The usual exemptions will be provided. Relevant documents may be inspected at my office or at the Worksop Library, Memorial Avenue, Worksop, Nottinghamshire. Written objections (stating grounds and quoting ref. 554) must be received by me by 22nd October 1993.

The prohibition is intended to alleviate indiscriminate parking on Newcastle Avenue Service Road which is restricting visibility for vehicles egressing into Newcastle Avenue and causing difficulties for local people wishing to gain access to their properties.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
