A10 HAY LANE TO BUNTINGFORD IMPROVEMENT, HERTFORDSHIRE

Preferred Layout Announced

Notice is hereby given that the Secretary of State for Transport has announced the preferred layout for the improvement of the A10 between Hay Lane and Buntingford in Hertfordshire. The preferred layout is the one on which public comment was invited in January 1993.

The proposals would provide for improvement of the road to dual carriageway standard between Sainsbury's roundabout and the existing dual carriageway to the south of Flint Cottages. The scheme would also close off the existing northern Westmill junction and partially close the southern junction. Access to Westmill would be achieved by provision of a new link road from the Sainsbury's roundabout, running parallel to the A10.

The preferred layout will now be protected from development. People whose property is blighted may, in accordance with the provisions of section 150 and Schedule 13 of the Town and Country Planning Act 1990, serve a blight notice on the Secretary of State for Transport, if the statutory requirements are met.

A detailed statement together with a plan explaining the reasons for the choice of layout has been published. Copies are available, free of charge, from the Department of Transport, Network Management Division, Eastern Regional Office, Heron House, 49-53 Goldington Road, Bedford MK40 3LL, Tel. 0234 276103. The statement has also been placed on deposit, for inspection by the public during normal office hours at:

East Hertfordshire District Council, 2 The Causeway, Bishops Stortford.

Buntingford Town Council, Bridgefoot House, Buntingford.
Post Office Stores, Westmill.

Notice is hereby given that the County Council has decided to propose the deletion of the safeguarding of a route for a North Baddesley bypass (Policy T8.3 of the Deposit Borough Local Plan). The County Council proposes:

traffic management measures in North Baddesley to discourage extraneous traffic;
major improvements to Templars Way and the Asda roundabout; investigation of the reopening of the Chandlers Ford railway station (in Eastleigh district) and bus priority measures; and improvement of Hoccombe Road to provide an alternative route to Hiltigbury Road (both in Eastleigh district).

This follows recent consideration of the transport implications of the additional development proposed west of Knightwood Road and the transport consultations' reports which it commissioned.

The Borough has not yet come to a view on whether it supports or objects to the deletion of the safeguarding of the Baddesley bypass. In the meantime comments on the changes suggested by the County Council are invited so that views can be taken into account at the Borough Local Plan Public Inquiry later this year. Objections to the changes by the County Council will be given the opportunity to appear at the Inquiry on 14th or 15th December 1993. Alternatively submissions made in writing will be taken fully into account.

A copy of the changes to the Borough Local Plan transport proposals as suggested by the County Council is available for public inspection at the following places and times:

Planning Department, Council Offices, Beech Hurst, Weyhill Road, Andover, and Planning Department, Council Offices, Duttons Road, Romsey, between 9 a.m. and 5 p.m. Monday to Thursday, 9 a.m. and 4.30 p.m. Fridays.

Any comments relating specifically to these changes should be made in writing to the Director of Planning at the address below as soon as possible and no later than 26th November 1993. Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
