LEOMINSTER DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

TOWN AND COUNTRY AMENITIES ACT 1974

Notice is hereby given that the Leominster District Council, in pursuance of their powers under section L.69.01 of the Planning (Listed Buildings and Conservation Areas) Act 1990, have designated the undermentioned area of the District as a Conservation Area.

Commencing on the western side of the B4361 at Bridge Street, Leominster, the boundary of the Conservation Area follows the southern boundary of Bridge Street Motors to the rear of the boundary which it follows in a northerly direction along the back boundaries of frontage properties up to and including No. 93. At this point the Conservation Area boundary takes a westerly direction along the boundary of O.S. Parcel No. 2376, following this boundary, first in a north-easterly direction, then round to the north-east, then south-east until it proceeds to the north-east to join the north-west corner of the rear boundary of No. 107b, which it follows to the road. The Conservation Area boundary continues along the road in a northerly direction until No. 117 which it includes, then crosses the road and runs in a southerly direction to No. 116, it follows the northern boundary of this property, then its rear eastern boundary, continuing in a southerly direction along the rear boundaries of the adjoining properties up to and including No. 112. The Conservation Area boundary returns to the road until No. 104, following the northern boundary and eastern boundary of this property, it then continues to follow the rear boundaries of the adjoining properties in a southerly direction up to and including No. 106A, it returns to the road which it crosses, and goes northerly to Bridge Street Motors, thus completing the Conservation Area.

Plans showing this area can be inspected during normal working hours at the offices of Leominster District Council, Planning Department, Lion House, Broad Street, Leominster, Herefordshire.

The effect of Conservation Area Designation will be that:

1. The demolition of certain buildings is brought within Conservation Area control under section 74 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and the Conservation Area Code;
2. It becomes an offence to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the area except with the consent of the local planning authority; and
3. Planning applications for development which would in the opinion of the local planning authority affect the character or appearance of the Conservation Area must be given publicity under section 67 as applied by section 73 and representations received in consequence taken into account in determining the application;
4. Permitted development rights under General Development Order 1988, as amended, are more restricted. Offences against these provisions may result in heavy fines;
5. The Council will give special attention to the desirability of preserving or enhancing the character or appearance of the Conservation Area;
6. Grants and loans become payable under sections 77 and 80 by the Secretary of State towards expenditure incurred in the preservation or enhancement of the character or appearance of any conservation area and for the purposes of making grants for the repair of buildings in conservation areas.

Any enquiries regarding the above should be addressed to the Planning Department, Leominster District Council, Lion House, Broad Street, Leominster, Herefordshire.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
