NEW ROADS AND STREET WORKS ACT

Proposed Designation of A40(M) Westway and M41 West Cross Route as protected Streets under the New Roads and Street Works Act 1991.

The Secretary of State for Transport is proposing to designate the A40(M) Westway in the City of Westminster, the London Borough of Hammersmith and Fulham and the Royal Borough of Kensington and Chelsea and the M41 West Cross Route in the London Borough of Hammersmith and Fulham under section 61 of

the New Roads and Street Works Act 1991 as protected streets. The effect of this proposal will mean that once these trunk roads are protected, no undertakers' apparatus may be placed in those roads without the consent of the Highways Agency or its agent for those roads, Frank Graham Consulting Engineers. It would not affect the renewal or maintenance of existing apparatus, nor any works carried out under the terms of a street works licence, issued after designation has taken place, by the Highways Agency or its agent.

The Secretary of State is satisfied that the criteria for designating both carriageways of the A40(M) Westway, including the slip roads at its interchanges with the A404 Harrow Road and the M41 West Cross Route, and both carriageways of the M41 West Cross Route from its junction with the A40(M) Westway to its junction with the A40 Holland Park Avenue as protected streets, as defined in Regulation 11 of the Street Works (Registers, Notices, Directions and Designations) Regulations 1992 (SI 1992, No. 2985) are met. The purpose of this advertisement is to invite comments or objections from parties interested in this proposal. Any such persons are invited to send their comments in writing to Miss S. Sethna, Government Office for London, Room CA/16, 2 Marsham Street, London SW1P 3EP, by no later than 13th September 1994.

As required by the Regulations referred to above, the Government Office for London has written in parallel to statutory undertakers, local highway authorities likely to be affected by this proposal; to known owners or occupiers of land adjacent to these roads; and to the Traffic Director for London. It has not been possible to identify all the owners or occupiers or reputed owners or occupiers of adjacent land and any person who has such an interest and who has not received notification of this proposal, is invited to comment or object by the date shown, if they so wish. (Details of known apparatus in these two roads are contained below).
