SI 1995 No. 13

*The Enzootic Bovine Leukosis (Amendment) Order 1995*

This Order amends the Enzootic Bovine Leukosis Order 1980 by inserting provisions requiring the sampling of milk in order that it may be tested for evidence of the existence of enzootic bovine leukosis. It implements, in relation to milk, those provisions of Council Directive 64/432/EEC (OJ No. L121, 29.7.64, p. 1977; Special Edition 1963-64 p. 164), as amended (on animal health problems affecting intra-Community trade in bovine animals and swine) and Council Directive 77/391/EEC (OJ No. L145, 13.6.77, p. 44), as amended, (introducing Community measures for the eradication of brucellosis, tuberculosis and leucosis in cattle), which require the operation of a monitoring and testing programme in order to achieve officially enzootic bovine leukosis-free status under those Directives.

The inserted provisions provide that: if any laboratory examination of a sample from a bovine animal identifies evidence of the existence of enzootic bovine leukosis, the Divisional Veterinary Officer is to be notified of that fact forthwith; those purchasing milk for resale in any form have the responsibility for quarterly sampling of the milk from the herd from which they purchase milk and for dispatching the samples to either the animal health laboratory of Genus Ltd. or to a nominated laboratory so that they may be tested for evidence of the existence of enzootic bovine leukosis; the milk samples are to be labelled according to particular requirements; and, the appropriate laboratory is required to notify the Minister forthwith of milk samples which test positive or inconclusive and to keep records of and to provide to the Minister, on a quarterly and six-monthly basis, certain details relating to the testing (article 2).

Failure to comply with the provisions of the Enzootic Bovine Leukosis Order 1980 (as now amended) is an offence under the Animal Health Act 1981 and is punishable under section 75 of that Act.

A Compliance Cost Assessment has been prepared and a copy placed in the library of each House of Parliament.

Notice is hereby given that the Nottinghamshire County Council has made an Order under the Road Traffic Regulation Act 1984, the effect of which will be:

No person shall drive any motor vehicle at a speed exceeding 30 miles per hour on the following length of road at Sutton-in-Ashfield in the District of Ashfield:

Mansfield Road, from a point 45 metres west of its junction with the centre line of Unwin Road in a westerly direction to a point 120 metres east of its junction with the centre line of Eastfield Side, an approximate distance of 660 metres.

The Order is made as described in the notice of proposal (ref. 486) which appeared in Issue No. 53686 of *The London Gazette* dated 1st June 1994.

The recent changes to the existing layout of Mansfield Road mean that the current 40 m.p.h. speed limit is no longer appropriate and the lower speed limit of 30 m.p.h. would encourage drivers to proceed with further caution.

The Order will come into force on 20th March 1995.

Until such time as the Corporation's Unitary Development Plan is modified to apply to the areas transferred to the Corporation on 1st April 1994 from other London Boroughs, pursuant to The City and London Borough Boundaries Order 1993, the relevant development plan policies of those boroughs will continue to apply to those areas.

1. Conservation area consent will now be required for the demolition of all unlisted buildings (other than excepted buildings) in the area;
2. Planning applications for development which would in the opinion of the local planning authority affect the character or appearance of the conservation area must be given publicity and representations received as a result of the publicity must be taken into account in determining the application;
3. It becomes an offence subject to certain exceptions to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the area except with the consent of the local planning authority;

4. The local planning authority are now under a duty to formulate and publish proposals for the preservation and enhancement of the area.
