2. Nothing in this licence gives exemption from any prohibition or restriction imposed by the Imported Food Regulations 1984 or the Medicines Acts 1968 and 1971 or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
3. This is not a Department of Trade and Industry licence.
4. This licence will not be invalidated by transit of the products through any other country provided they are transported in sealed containers and provided that if the products are examined by Customs en route the containers are resealed and the documents are endorsed accordingly.

**Caution:** Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.

#### B REVOKED LICENCE

LICENCE No.: (A) TAY/GEN/82/754 (in England)  
(B) WOAD/GEN/82/51 (in Wales).

**Subject:** Any fresh or refrigerated meat or offal derived from domestic cattle, sheep or goats.

**Country of origin:** Czechoslovakia.

#### B NEW GENERAL LICENCE

LICENCE No.: (A) TAY/GEN/95/95 (in England)  
(B) WOAD/GEN/95/14 (in Wales).

**Subject:** Any fresh or refrigerated meat or offal derived from domestic cattle, sheep or goats.

**Country of origin:** Czech Republic.

#### Conditions attaching to licence:

A. Each consignment must be accompanied by a certificate in accordance with the terms of Commission Decision 94/845/EC made under Council Directive 72/462/EEC as amended, signed by an official veterinarian of the Government of the Czech Republic stating:

1. (a) details of consignment (species of animal, nature of cuts, nature of packaging, nature of cuts or packages, net weight);
- (b) address(es) and veterinary approval number(s) of approved slaughterhouse(s), cutting plants and cold store(s);
- (c) destination of meat (place of loading, country and place of destination, means of transport, names and addresses of consignor and consignee).

#### 2. Health Attestation

I, the undersigned official veterinarian certify that:

- (a) the Czech Republic has been free for 12 months from Rinderpest and Foot and Mouth Disease;
- (b) the fresh meat described above is obtained from:
  - (i) animals which have remained in the territory of the Czech Republic for at least three months before being slaughtered or since birth in the case of animals less than three months old,
  - (ii) animals which come from holdings in which there has been no outbreak of foot and mouth disease in the previous 30 days, and around which within a radius of 10 kilometres there has been no case of foot and mouth disease for 30 days,
  - (iii) animals which have been transported from their holding of origin to the approved slaughterhouse concerned without contact with animals which do not comply with the conditions required for export of their meat to the Community, and, if conveyed in a means of transport, that the latter has been cleaned and disinfected before loading,
  - (iv) animals which have passed the ante-mortem health inspection referred to in Council Directive 72/462/EEC at the slaughterhouse during the 24 hours before slaughter and have showed no evidence of foot and mouth disease,
  - (v) in the case of fresh meat from sheep and goats, animals which have not come from a holding which for health reasons is subject to prohibition as a result of an outbreak of ovine or caprine brucellosis during the previous six weeks.

3. The fresh meat described above is obtained from an establishment or establishments in which, after a case of foot and mouth disease has been diagnosed, further preparation of meat for export to the Community has been authorised only after slaughter of all animals present, removal of all meat, and the total cleaning and

disinfection of the establishments under the control of an official veterinarian.

The certificate required above must include the following annotation:

"Fresh meat conforming to Chapter II of Commission Decision 93/242/EEC of 30th April 1993 as last amended by Decision 94/81/EC of 10th February 1994, concerning the importation into the Community of certain live animals and their products originating from certain European countries in relation to Foot and Mouth Disease."

B. The certificate required above must be the original certificate except in the case of products entering the Community via another Member State which, in accordance with Article 10 of Council Directive 90/675/EEC<sup>(1)</sup>, must be accompanied by a copy of the original certificate authenticated by and provided by the official veterinarian at the border inspection post of entry to the Community, together with a document signed by the official veterinarian at the border inspection post of entry to the Community confirming that veterinary checks have been carried out to his or her satisfaction. However, in the case of products transported by air or sea which have been transhipped in a port or airport in another Member State and which, in accordance with Article 8.4 of Council Directive 90/675/EEC, have not been subject to veterinary checks in that Member State, the certificate must be the original certificate.

C. All consignments of products to which this licence refers are subject to the terms of the Products of Animal Origin (Import and Export) Regulations 1992, and any product imported under this licence shall be made available, if so required, for inspection by an officer of the Ministry at a place nominated by him/her for such inspection. In the case of consignments which enter Great Britain via another Member State, the provisions of Regulation 7(3) of the above Regulations in particular shall apply. The importer or his agent shall afford all assistance necessary to such an officer to enable him/her to carry out the inspection in such manner as he/she shall determine and the importer shall be responsible for meeting any costs of carrying out such an inspection.

#### Notes

1. Nothing in this licence gives exemption from any requirement, prohibition or restriction imposed by the Products of Animal Origin (Import and Export) Regulations 1992 (which restrict importation to border inspection posts approved to handle the category of products concerned and require that imports are notified in advance to the enforcement authorities), the Imported Food Regulations 1984 or the Medicines Acts 1968 and 1971, or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
2. This is not a Department of Trade and Industry Licence.

**Caution:** Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.
