TOWN AND COUNTRY PLANNING
ACT

LONDON BOROUGH OF EALING

Planning (Listed Buildings and Conservation Areas) Act 1990
Extension to the Old Oak Lane Conservation Area

Notice is hereby given that on 7th June 1995, the London Borough of Ealing as local planning authority designated the area described in the Schedule to this notice as an extension to the Old Oak Lane Conservation Area in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Conservation Areas are designated in Order to preserve or enhance the character and appearance of areas of special architectural or historic interest and to stimulate and encourage initiatives to improve the environment.

The effect of designating an area as a Conservation Area is to bring the demolition of all buildings (with a few minor exceptions) under control. Anyone wishing to demolish or partially demolish a building within a Conservation Area must first apply to the local planning authority for permission to do so. In addition, anyone wishing to carry out work to any tree exceeding 75 millimetres in diameter in a Conservation Area which is not already protected by a Tree Preservation Order, must give notice at least six weeks before the works are due to be carried out. The designation of a Conservation area also has the effect of reducing the extent of permitted development rights pertaining to dwelling-houses and outbuildings.

For further information, please contact the Planning Services Division, Perceval House, 14-16 Uxbridge Road, London W5 2HL.

Detailed plans of the areas concerned have been deposited at the Planning Services Reception on the 1st Floor of Perceval House, and may be inspected between 9 a.m. and 4.30 p.m. on Mondays to Fridays.
