Notice of application for an Order relating to abstraction from the Pendarves Mine (located at National Grid Reference SW6464638379).

The proposals set out in this notice supersede the proposals set out in the notice relating to Pendarves Mine and Penponds Adit advertised in the *Western Morning News* and *The London Gazette* on 11th September 1995.

An exceptional shortage of rain means that a serious deficiency of supplies of water is threatened in the area of South West Water Services Limited, the Statutory Water Undertaker, which is served from the Boswyn Water Treatment Works in the parishes of Crowan and Camborne, in the district of Kerrier, in the county of Cornwall.

Notice is given that in order to maintain an adequate supply of water, the Company is applying to the Secretary of State for the Environment for an Order pursuant to section 73 of the Water Resources Act 1991 to enable it, for a period not exceeding 6 months to:

1. Abstract a quantity of water not exceeding 4,000 cubic metres per day (0.88 million gallons per day) at National Grid Reference SW6464638379.
2. Convey the water abstracted from Pendarves Mine at National Grid Reference SW6464638379 through a temporary overland pipeline and discharge it into a sump adjacent to the intake for the Boswyn Water Treatment Works which is located on the Carwynnen Stream at Botetoe Bridge (also known as Boteedar Bridge) (National Grid Reference SW641376).
3. Install a temporary intake and pump at Pendarves Mine at National Grid Reference SW6464638379 and a line of pipes to the point of discharge.

A copy of the statement and a plan illustrating the Company's proposals may be inspected by any person, free of charge, during all reasonable office hours at the Company's Head Office at Peninsula House, Rydon Lane, Exeter, and at the Camborne Library, The Cross, Camborne, Cornwall, for a period of 7 days from the date of the publication of this notice.

Objections to the application may be made to the Secretary of State for the Environment, Room 463, Romney House, 43 Marsham Street, London SW1P 3PY (c/o J. A. S. Wheeler), within 7 days of the publication of this notice.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Company effectively to meet the deficiency of supplies of water referred to above, he may direct that the holding of a public local inquiry or hearing by a person appointed by him should be dispensed with.
