

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Company effectively to meet the deficiency of supplies of water in their area, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him should be dispensed with.

NORTH WEST WATER LIMITED

Application for extension of period of Drought Order

Notice is hereby given that North West Water Limited ("the Company") is applying to the Secretary of State for the Environment for an Order under sections 73 and 74 of the above Act to extend the period for which the modification of the Company's licence to abstract water from Bottoms Lodge Reservoir, effected by the North West Water Limited (Bottoms Lodge Reservoir) (Drought) Order 1995 has effect.

The above-mentioned Order reduces temporarily (i.e. until 31st October 1995) the quantity of compensation water which the Company is required to discharge from Bottoms Lodge Reservoir into the River Etherow from 319 megalitres (70,000,000 gallons) per week to 35,000,000 gallons per week. This application is to extend the above Order until 30th April 1996.

A map showing the location of Bottoms Lodge Reservoir may be inspected free of charge at the Company's Bottoms Office, Woodhead Road, Hadfield SK14 7HR, during normal office hours (Monday to Friday), for a period of 7 days from the publication of this notice.

Any objections to the proposed Order must be made in writing to the Secretary of State for the Environment, (c/o Mr. J. A. S. Wheeler) Room B463, Romney House, 43 Marsham Street, London SW1P 3EB, within 7 days of publication of this notice. It is requested that a copy of any such objections be sent at the same time to the undersigned.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Company effectively to meet the deficiency of supplies of water in their area, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him should be dispensed with.

NORTH WEST WATER LIMITED

Application for extension of period of Drought Order

Notice is hereby given that North West Water Limited ("the Company") is applying to the Secretary of State for the Environment for an Order under sections 73 and 74 of the above Act to extend the period for which the modification of the Company's licence to abstract water from the integrated reservoir complex at Rivington, effected by the North West Water Limited (Rivington Reservoirs) (Drought) Order 1995 has effect.

The above-mentioned Order reduces temporarily (i.e. until 31st October 1995) the quantity of compensation water which the Company is required to discharge into any reservoir of the Brinscall Hall Print Works from 3.89 megalitres to 2 megalitres, and into any reservoir of the White Coppice Weaving Mill from 4.89 megalitres to 2 megalitres.

This application is to extend the above Order until 30th April 1996. It does not affect the flow of compensation water to the River Yarrow nor to Fill Brook.

A map showing the location of the Rivington Reservoirs may be inspected free of charge at Horwich Library, Jones Street, Horwich BL6 7AJ, for a period of 7 days from the publication of this notice.

Any objections to the proposed Order must be made in writing to the Secretary of State for the Environment, (c/o Mr. J. A. S. Wheeler) Room B463, Romney House, 43 Marsham Street, London SW1P

3EB, within 7 days of publication of this notice. It is requested that a copy of any such objections be sent at the same time to the undersigned.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Company effectively to meet the deficiency of supplies of water in their area, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him should be dispensed with.
