A copy of the proposed Order, together with the Orders it amends, together with a plan showing the lengths of road to which it relates and a statement of the Council's reasons for proposing to make the Order may be inspected at The Central Library, Abington Street, Northampton, during its normal opening hours or at the offices of the Head of Legal Services, County Hall, Northampton NN1 1DN, between the hours of 9 a.m. and 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

Objections to the proposed Order, stating the grounds on which they are made, should be sent in writing to the Head of Legal Services, PO Box 104, Northampton NN1 1AW, by 20th November 1995.

T. Parker, Head of Legal Services

SCHEDULE

(Prohibition of Slow Moving Vehicles)

Prohibit all vehicles incapable by design of exceeding a speed of 25 m.p.h. (40 k.p.h.):

A45 Nene Valley Way, eastbound carriageway, from its junction with the exit slip road at Barnes Meadow Interchange to its junction with the entry slip road at Great Billing Way Interchange.

A45 Nene Valley Way, westbound carriageway, from its junction with the exit slip road at Great Billing Way Interchange to its junction with the entry slip road at Barnes Meadow Interchange.

The total distance of the restriction is approximately 5.5 kilometres (3.5 miles).

The entry slip road from its junction with Barnes Meadow Roundabout to its junction with the eastbound carriageway of A45 Nene Valley Way.

The entry slip road from its junction with Lumbertubs Way Roundabout to its junction with the eastbound carriageway of A45 Nene Valley Way.

The entry slip road from its junction with Great Billing Way Roundabout to its junction with the westbound carriageway of A45 Nene Valley Way.

The entry slip road from its junction with Lumbertubs Way Roundabout to its junction with the westbound carriageway of A45 Nene Valley Way.

Statement of Reasons

Slow vehicles travelling on the A45 Nene Valley Way between Lumbertubs Way Interchange and Barnes Meadow Interchange and intending to continue on A45 travel in the centre lane of the three lane carriageway.

The difference in speed between these vehicles and normal traffic creates a hazardous situation when other drivers are overtaking, joining the main carriageway or changing lanes. Safety for all drivers will be improved and congestion reduced by prohibiting vehicles which cannot, by design, exceed 25 m.p.h. (40 k.p.h.).

Slow vehicles affected by the restriction will be diverted off A45 and signed via local roads to rejoin beyond the restriction.

26th October 1995.

TOWN AND COUNTRY PLANNING ACTS

BRIGHTON BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990

Notice of Adoption of Brighton Borough Local Plan: Towards 2000
Notice is hereby given that on 26th October 1995, Brighton Borough Council adopted the above-named local plan.

Certified copies of the reports of all local inquiries or other hearings held and of the Council's statements prepared following the consideration of such reports have been deposited at the offices of the Director of Environmental Services, Brighton Borough Council, Bartholomew House, Bartholomew Square, Brighton.

The deposited documents are available for inspection, free of charge.

The plan became operative on 26th October 1995, but if any person aggrieved by the plan desires to question its validity on the ground that it is not within the powers conferred by Part II of the Town and Country Planning Act 1990, or that any regulations made thereunder have not been complied with in relation to the adoption of the plan, he or she may within 6 weeks from 26th October 1995, make application to the High Court under section 287 of the Town and Country Planning Act 1990.

EPPING FOREST DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

Notice of Variation of Conservation Area at Lower Sheering

Notice is hereby given under the Planning (Listed Buildings and Conservation Areas) Act 1990, section 69, that the Epping Forest District Council has determined that those parts of the District described in the Schedule to this notice are parts which are either (a) of special architectural or historic interest, the character of which it is desirable to preserve or enhance and has therefore designated those parts as additions to existing conservation areas; or (b) no longer of special architectural or historic interest and has therefore cancelled the designations of those parts.

The effect of the designation of additions to existing conservation areas is as follows:

- (1) Conservation area consent will now be required for the demolition of all unlisted buildings (other than excepted buildings) in the additional areas;

(2) Planning applications for development which would in the opinion of the local planning authority affect the character or appearance of the additional areas must be given publicity and representations received as a result of the publicity must be taken into account in determining the applications;

(3) It becomes an offence subject to certain exceptions to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the additional areas except with the consent of the local planning authority;

(4) The local planning authority is now under a duty to formulate and publish proposals for the preservation and enhancement of the additional areas;

(5) Permitted development rights are more restricted than in other parts of the District;

(6) Specific statutory duties are imposed on telecommunications operators;

(7) The right to display certain types of illuminated advertisement without express consent is excluded;

(8) Grants and loans may be made towards expenditure incurred in the preservation or enhancement of the character or appearance of the additional areas.

The effect of cancellation of designation of parts of the existing conservation area is that the matters set out above no longer apply to those parts but other planning controls continue to apply. The remaining part of the existing conservation area is unaffected.

A map showing the boundary of the conservation area following the new designations and cancellations may be inspected, free of charge, during normal office hours in the Planning and Technical Services Department of the Council at Civic Offices, High Street, Epping.

J. W. Burgess, Chief Executive
