- (i) a detailed review of the disinfection process (to be completed by 31st December 1995);
 - (ii) a detailed examination of all aspects of the sampling arrangements, including renewal of sampling lines and taps, and staff training (to be completed by 31st December 1995);
 - (iii) check monitoring from all treated water pumps that are running at the normal time of sampling (to be completed by 31st December 1995);
 - (iv) additional check monitoring at points, where practical, close to the works outlets within water supply zones L14 and L02 (to be completed by 31st December 1995).
- (b) Report to DWI on the findings of the investigation in step 1. To be completed by 31st January 1996.
- (c) If necessary, in the light of the findings of the investigation in step 1. Submit a further undertaking detailing appropriate remedial action. To be completed by 29th February 1996.
4. Is satisfied that East Surrey Water plc has given and is complying with an undertaking to take all such steps as appear to the Secretary of State for the time being to be appropriate to secure or facilitate compliance with the requirement of Regulation 3(3)(c) of the Water Supply (Water Quality) Regulations 1989.

Details of the work being carried out are on the Company's public record which you may inspect at any of its offices open to the public during normal working hours.

You can find out about the work and whether your water supply is affected by telephoning the Water Company on 01737-772000 or writing to them at London Road, Redhill, Surrey RH1 1LI, and quoting DoE undertaking Ref. No. ES 018.

A copy of the undertaking can also be seen at the offices of the Director General of Water Services, City Centre Tower, 7 Hill Street, Birmingham B5 4UA. (Ref. No. LG1/01/DWI.)

Authorised by the Secretary of State to sign in that behalf.

M. Rouse, Chief Inspector

12th October 1995.

DEPARTMENT OF THE ENVIRONMENT

WATER INDUSTRY ACT 1991: SECTION 19(1)(B)

The purpose of this notice is to inform consumers in parts of Croydon and surrounding areas who might be affected by improvement work being carried out by East Surrey Water plc at its Kenley Water Treatment Works. The Company has found through its water quality monitoring programme that water supplied from this works has on occasion not met the standard, as required by the Water Supply (Water Quality) Regulations 1989, for total coliforms, although the water has at all times been, and remains safe to drink. Consequently the Secretary of State for the Environment has notified the Company that he will carry out his duty under section 19 of the Water Industry Act 1991, and if necessary, order the Company to take appropriate steps to ensure that the water supplied will in future meet the required standard for total coliforms.

The Company has given a legally binding agreement (called an undertaking) to carry out appropriate remedial work at Kenley Water Treatment Works to be completed by 29th February 1996. The Secretary of State is satisfied that the Company is complying with this agreement and has informed the Company that he is satisfied by serving on them the notice printed below.

WATER INDUSTRY ACT 1991: SECTION 19(1)(B)

The Secretary of State for the Environment

1. Is satisfied that East Surrey Water plc "the Company" in supplying water from Kenley Water Treatment Works has contravened and is likely to do so again its duty to supply wholesome water under section 68(1)(a) of the Water Industry Act 1991, and the requirement of Regulation 3(3)(c) of the Water Supply (Water Quality) Regulations 1989, that water supplied should not contain total coliforms.

2. Has notified East Surrey Water plc, on 28th April 1995, that he is considering making in relation to the Company an enforcement Order under section 18 of the Water Industry Act 1991.

3. Notes that East Surrey Water plc has on 2nd October 1995, given an undertaking under section 19(1)(b) of the Water Industry Act 1991, to take the following steps by the dates shown:

(a) Undertake an investigation to identify the source of the contravention by carrying out:

WATER INDUSTRY ACT 1991 SECTION 19(1)(b)

The purpose of this notice is to inform consumers in the Salisbury area who might be affected by improvement work being carried out by Wessex Water Services Limited at its Clarendon Treatment Works. The Company has found through its water quality monitoring programme that water supplied from this works has on occasion not met the standard, as required by the Water Supply (Water Quality) Regulations 1989, for individual pesticides, although the water has at all times been, and remains safe to drink. Consequently the Secretary of State for the Environment has notified the Company that he will carry out his duty under section 19 of the Water Industry Act 1991 and if necessary, order the Company to take appropriate steps to ensure that the water supplied will in future meet the required standard for individual pesticides.

The Company gave a legally binding agreement (called an undertaking) on 8th July 1994, to carry out monitoring and investigative work at Clarendon Water Treatment Works to be completed by 30th September 1995. In the light of new information the Secretary of State has inferred that this undertaking is no longer appropriate, and he has requested that the Company submit a new agreement. Wessex Water have complied with this request and submitted a new undertaking on 26th September 1995, to complete the work by 31st December 1997. The Secretary of State is satisfied that the Company is complying with this new agreement and has informed the Company that he is satisfied by serving on them the notice printed below.

The Secretary of State for the Environment

1. is satisfied that Wessex Water Services Limited "the Company" in supplying water from its Clarendon Treatment Works has contravened and is likely to do so again its duty to supply wholesome water under section 68(1)(a) of the Water Industry Act 1991, and the requirement of Regulation 3(3)(c) of the Water Supply (Water Quality) Regulations 1989, that water supplied should not contain individual pesticides at a greater concentration than 0.1µg/l.

2. has notified Wessex Water Services Limited on 17th May 1994, that he is considering making in relation to the Company an enforcement Order under section 18 of the Water Industry Act 1991.

3. notes that Wessex Water Services Limited has on 26th September 1995, given an undertaking under section 19(1)(b) of the Water Industry Act 1991 to take the following steps by the dates shown:

(a) Information to National Rivers Authority:
