

NATIONAL RIVERS AUTHORITY—SOUTHERN REGION

Notice of application for consent in pursuance of Schedule 10

Notice is hereby given, in accordance with Schedule 10 of the Water Resources Act 1991, that an application has been made to the National Rivers Authority, Southern Region, by Twineham Grange Farms Ltd. for a consent to discharge up to 50 cubic metres per day of trade effluent consisting of washdown from cheese and butter production into the River Adur at National Grid Reference TQ24502040 from land at Twineham Grange Farm, Bob Lane, Twineham.

Any person wishing to make representation about the application should do so in writing to the Area Environmental Quality Manager, National Rivers Authority, Sussex Area Office, Rivers House, 3 Liverpool Gardens, Worthing, West Sussex BN11 1TF, not later than 18th December 1995, quoting ref. P.5925/S/P/95.

A copy of the application may be inspected free of charge at the offices of the National Rivers Authority, Coast Road, Pevensey Bay, East Sussex, at all reasonable hours.

M. Davies, Regional Solicitor, National Rivers Authority
Guildbourne House, Chatsworth Road,
Worthing, West Sussex BN11 1LD.

16th October 1995.

NATIONAL RIVER AUTHORITY—SOUTH WESTERN REGION

Notice of application for consent under Schedule 10

Notice is hereby given, pursuant to Schedule 10 of the Water Resources Act 1991, that the following application has been made to the National Rivers Authority by Wessex Water Services Limited in respect to the construction of a new storm tank overflow at Wellington Sewage Treatment Works, Somerset. The application, consent reference 013169, is to discharge screened and settled stormwater in times of exceptionally high rainfall to the watercourse at NGR ST 1305 2200. The overflow is to be constructed so that a discharge will only occur on average on one occasion in any year.

A copy of this application may be inspected free of charge at all reasonable hours at the Authority offices at Manley House, Kestrel Way, Sowton Industrial Estate, Exeter or at Rivers House, East Quay, Bridgwater, Somerset. Any person who wishes to make a representation about this application should do so in writing to The Technical Manager, National Rivers Authority, South Western Region, Manley House, Kestrel Way, Sowton, Exeter, Devon EX2 7LQ, quoting the above reference not later than 18th December 1995.

NATIONAL RIVER AUTHORITY—SOUTH WESTERN REGION

Notice of application for consent in pursuance of section 88 and Schedule 10

Notice is hereby given, in accordance with section 88 and Schedule 10 of the Water Resources Act 1991, that an application has been made to the National Rivers Authority by Roadchef Motorway Limited for consent to discharge in an emergency only up to 216 cubic metres per day of screened sewage to a tributary of the River Tone at National Grid Reference ST 1945 2012 from a sewage pumping station at Taunton Deane Motorway Service Area.

The emergency overflow from the pumping station would occur only when all the pumps fail due to electrical or mechanical failure and the storage capacity of the holding pump is exceeded. The pumping station will be connected to an alarm system to give immediate warning of any failure so that corrective measures can be taken as quickly as possible.

Any person who wishes to make representation about the application should do so in writing to the Area Regulation Officer, National Rivers Authority, South Western Region, Rivers House, East Quay, Bridgwater, Somerset TA6 4YS, not later than 4th December 1995, quoting Ref. No. 012626.

A copy of the application may be inspected, free of charge, at Rivers House, East Quay, Bridgwater during office hours.

R. D. Callender

18th October 1995.

NATIONAL RIVER AUTHORITY—SOUTH WESTERN REGION

Notice of application for consent under Schedule 10

Notice is hereby given, pursuant to Schedule 10 of the Water Resources Act 1991, that the following application has been made to the National Rivers Authority, South Western Region.

Application reference 0432132 by BP Exploration Operating Company Ltd., to discharge a maximum of 53 cubic metres per hour of trade effluent comprising of coarse material and particulate matter with dimensions greater than 60 micrometres which have been separated from supernatant water following abstraction of seawater from Poole Harbour.

The supernatant water will be injected into oil wells to assist with the recovery of oil extraction whilst the separated particulate matter will be discharged back to Poole Harbour accompanied by approximately 10% of the abstracted water.

The discharge will enter the Harbour from submerged outlets at approximate National Grid Reference SZ 0144 8724.

Copies of this application may be inspected free of charge at all reasonable hours at the Authorities Offices at Rivers House, Sunrise Business Park, Higher Shaftesbury Road, Blandford Forum, Dorset.

Any person who wishes to make representations about this application should do so in writing to the Area Regulations Officer, Rivers House, Sunrise Business Park, Higher Shaftesbury Road, Blandford Forum, Dorset DT11 8ST, quoting the above reference not later than 6 weeks from the date of this advertisement.

YORKSHIRE WATER SERVICES LIMITED

Notice is hereby given that on 30th October 1995, the Secretary of State for the Environment made the Yorkshire Water Services Limited (Silsden Reservoir) (Drought) (No. 2) Order (to remain in force until 30th April 1996) under section 73 of the Water Resources Act 1991, authorising a temporary increase in the amount of water the Company is authorised to abstract from the Silsden Reservoir.

A copy of the Order as made may be inspected by any person, free of charge, at 2 The Embankment, Sovereign Street, Leeds LS1 4BG.

A. I. Ward, Deputy Chairman, Yorkshire Water Services Limited.

31st October 1995.

The following notice is in substitution for that which appeared on page 14196 of The London Gazette dated 20th October 1995:

NATIONAL RIVERS AUTHORITY—ANGLIAN REGION

Notice of application for a licence to abstract water

Take notice that V. G. and C. M. Daniels of Craymere Farm, Briston, Melton Constable, Norfolk, are applying to the National Rivers Authority for a licence to abstract water from underground strata (chalk) at National Grid Reference TG05353114 and TG05403116 at Craymere Farm, Briston, Melton Constable, Norfolk. The proposal is to abstract water at the following rates: 0.375 cubic metres per hour, 9 cubic metres per day, 0.3 thousand cubic metres per year between April and October each year. The water will be used for agricultural purposes.

A copy of the application and any map, plans and other documents submitted with it may be inspected, free of charge, at all reasonable hours at Briston Post Office during the period 19th October 1995 to 30th November 1995.

Any person who wishes to make representations about the application should do so in writing to the National Rivers Authority, Anglian Region, Eastern Area, Cobham Road, Ipswich, Suffolk IP3 9JE, before the end of the said period.

On behalf of V. G. & C. M. Daniels

12th October 1995.

This application is to replace without change in quantities (or rates of abstraction) the abstraction authorised by licence No. 7/34/06/G/209, which expires on 31st October 1996.
