SOUTH PEMBROKESHIRE DISTRICT COUNCIL

South Pembrokeshire (Part) Local Plan, Deposit Draft, Dated October 1995

Notice is hereby given that the South Pembrokeshire District Council has issued the Deposit Draft of the South Pembrokeshire (Part) Local Plan, which is subject to a period of public consultation, starting on 27th November 1995 and ending on 22nd January 1996. The statutory minimum duration for the consultation period is 6 weeks; this Local Plan is being placed on deposit for 8 weeks. The Plan sets out the District Council's planning policies for the part of South Pembrokeshire outside the Pembrokeshire Coast National Park for the period to 2005. An earlier consultation draft of the Local Plan was published in March 1995, and comments received have been taken into consideration in the preparation of the Deposit Draft.

Any comments on the Deposit Draft of the Local Plan must be made on the appropriate form of support or objection (which are available from the Planning and Technical Services Department of the Council) and must be received by South Pembrokeshire District Council no later than 22nd January 1996 at 5 p.m. Comments are to be returned to the acting Director of Planning and Technical Services, South Pembrokeshire District Council, District Offices, Llanion Park, Pembroke Dock SA72 6DZ. Objections received to the Local Plan will be replaced on Deposit with the Local Plan and will be subject to public disclosure. The Council cannot treat any objections made as confidential. The Council will also make publicly available any statements of support for the Local Plan received. The form for recording statements of objection or support for the Local Plan explains how to make representations to the Council. Each objection or supporting statement should be made on a separate form.

The Deposit Draft of the South Pembrokeshire (Part) Local Plan may generate objections which in turn could require a public local inquiry to be held. Any person or organisation may object to a Local Plan, and all objectors whose objections are "duly made" (in accordance with the Regulations) have a right to appear at a public local inquiry on the Local Plan if they so wish. Any objector whose

objections are not made within the consultation period specified in this notice (or otherwise do not meet the requirements specified in the notice) have no right to be heard at a public local inquiry. Objectors to the Local Plan may ask to be notified of the final decision on the Plan.

Support for proposals in the Local Plan may also be made to the Council, using the standard form. Should a public local inquiry be held on the Local Plan, the Inspector has discretion on whether or not to hear those making supporting representations at the Inquiry.

Objectors to the Local Plan do not have to take part in a public local inquiry on the Local Plan. Their written representations and any response from the Planning Authority, along with any further written representations which the objector may wish to submit before the end of the Inquiry, are placed before the Inspector who will take them into account along with all other objections. Written representations carry the same weight as those made orally at an Inquiry. If none of the objectors to the Local Plan wishes to take part in an Inquiry, and informs the authority in writing of this decision, then the Planning Authority can consider each objection without the aid of an Inspector, and will prepare and make publicly available a statement of their decision on each objection and the reasons for making it. They can either propose modifications to the Local Plan, or adopt the Local Plan without modifications.

Before an Inquiry takes place, the Planning Authority may suggest changes to the Local Plan, either to meet particular objections or as a result of new information becoming available. The Planning Authority will, if it is possible, advertise these changes, provide the reasons for suggesting them and allow a reasonable time for objections or supporting representations to be made. Responses to such advertisements may be taken into account when considering the original objections to the Local Plan. An objector satisfied by such changes may submit a statement to this effect and not take part in the discussion at the Inquiry, although withdrawal of the objection at that stage is not normally sought.

Copies of the Deposit Draft of the Local Plan are available from the above address, at a price of £10 per copy including postage and packing. Cheques should be made payable to "South Pembrokeshire District Council". Telephone enquiries can be made to: (01646) 683122, extensions 217 or 226.

D. M. Lawrence, acting Director of Planning and Technical Services.
