Notice of application for a licence to abstract water

Take notice that F. Harold Rockcliffe Ltd., of The Lanes, South Runcton, Kings' Lynn, Norfolk, is applying to the National Rivers Authority for a licence to abstract water from underground strata, being green sand over Cambridge clay at National Grid Reference TF64250825, at land adjoining Field Barn Lane, in the parish of Runcton Holme, Kings' Lynn, in the county of Norfolk.

The proposal is to abstract water at the following rates: 55.12 cubic metres per hour, 1.213.7 cubic metres per day, 68,200 cubic metres per year, between 1st April and 30th September each year. The water will be used for spray irrigation and water for livestock. The reservoir is filled by gravity flow with no mechanical pumps required.

A copy of the application and any map, plans and other documents submitted with it may be inspected, free of charge, at all reasonable hours at The Lanes, South Runcton, Kings' Lynn, Norfolk, between 24th November and 24th December 1995.

Any person who wishes to make representations about the application should do so in writing to the National Rivers Authority, Anglian Region, Central Area, Bromholme Lane, Brampton, Huntingdon PE18 8NE, before the end of the said period.

Brown & Co., on behalf of F. Harold Rockcliffe Ltd.

NATIONAL RIVERS AUTHORITY

Notice of application for a licence to abstract water

Take notice that F. Harold Rockcliffe Ltd. of The Lanes, South Runcton, Kings' Lynn, Norfolk, is applying to the National Rivers Authority for a licence to abstract water from Blue Arch Draw, a tributary of the Great Ouse relief channel at National Grid Reference JF 6266 0955 at Lanes Farm, in the parish of Runcton Holme, Kings' Lynn, in the county of Norfolk.

The proposal is to abstract water at the following rates: 60 cubic metres per hour, 1.320 cubic metres per day, 75,000 cubic metres per year, between 1st April and 30th September each year.

The water will be used for spray irrigation. The water is to be stored in a reservoir which will be filled during the winter for summer irrigation.

A copy of the application and any map, plans and other documents submitted with it may be inspected free of charge at all reasonable hours at The Lanes, South Runcton, Kings' Lynn, Norfolk, between 24th November and 24th December 1995.

Any person who wishes to make representations about the application should do so in writing to the National Rivers Authority, Anglian Region, Central Area, Bromholme Lane, Brampton, Huntingdon PE18 8NE, before the end of the said period.

NATIONAL RIVERS AUTHORITY

NORTHUMBRIA AND YORKSHIRE REGION

Water Resources Act Part III Schedule 10.1(4)

Notice of application for consent Berwick-upon-Tweed, Quayside Sewer Division

Notice is hereby given in accordance with Schedule 10.1(4) of the Water Resources Act 1991 that an application has been received by the National Rivers Authority from Northumbrian Water Limited to make new discharges of storm sewage and sewage in an emergency to the River Tweed (saline estuary) from a new sewage pumping station at Berwick-upon-Tweed, Northumberland.

It is proposed to intercept untreated sewage flows from two existing outfalls located at NGR NT 9979 5258 and NGR NT 9983 5246 and to divert them to a new pumping station at Wellington Terrace. The pumping station will transfer these flows to an existing pumping station (Berwick No. 3 pumping station) which transfers all flows to Berwick Sewage Treatment Works.

Discharges to the estuary via the existing outfall at NGR NT 9979 5258 are proposed to occur in the future only under severe storm conditions or when the pumping station is inoperative due to

mechanical or electrical breakdown. A telemetry system is proposed to be installed at the pumping station to alert Northumbrian Water Limited of such a breakdown.

Any person who wishes to make representations about the application should do so in writing to; Water Resources and Quality Department, National Rivers Authority, Northumbria and Yorkshire Region, Tyneside House, Newcastle Business Park, Skinnerburn Road, Newcastle upon Tyne NE4 7AR, by no later than 8th January 1996.

A copy of this application can be inspected free of charge at the above address or at the offices of Northumbrian Water Limited at Berwick-upon-Tweed Sewage Treatment Works, Berwick, Northumberland.

H. Taylor, Water Resources and Quality Manager,
Northumbria Area.

ROAD TRAFFIC ACTS

BIRMINGHAM CITY COUNCIL

Birmingham City Council (Walsall Road, etc Perry Barr) (Suspension of Prohibition of 'U' Turn) (Experimental) Order 1995.

Notice is hereby given that on 1st December 1995 the above-named Council made the above-named Order under sections 9, 10 and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984 as amended ("the Act") and of all other enabling powers and after consultation with the Chief Officer of Police in accordance with Part III of Schedule 9 to the Act the effect of which, is as follows:

To suspend the prohibition of 'U' turn through the gap in the central reservation of Walsall road opposite Old Walsall Road. The suspension will operate on an experimental basis. The Order will come into operation on 5th December 1995.

A copy of the Order together with a plan and a statement of the Council's reasons are available for inspection at the offices of the Transportation Department, Traffic Management Division, 1 Lancaster Circus, Queensway, Birmingham B4 7DQ, during normal working hours.

If any person wishes to question the validity of the Order or of any of the provisions contained in it on the grounds that it is not within the powers conferred by the Act or on the grounds that any requirements of the Act or any Instrument made under it has not been complied with in relation to this Order may within 6 weeks from 1st December 1995 apply to the High Court for this purpose.

The above named Council will consider in due course whether the Experimental Order should be made permanent. Persons wishing to object to the making of a permanent Order must, within 6 months of the date of the notice or the date of any modification which might be made thereto, send a statement, including the grounds for their objection to the address included above.

D. Pywell, Director of Transportation
28th November 1995. (496)

BOLTON METROPOLITAN COUNCIL

The Bolton (Kirkham Street) (Revocation of One-way Traffic) (Prohibition of Waiting) (Experimental) (No. 70) Order 1995

Notice is hereby given that the Borough Council of Bolton have made an Order under section 9, 10 and 11 of the Road Traffic Regulation Act 1984, for an experimental period of 18 months. The effect of the Order which becomes operative on 4th December 1995 is as follows:

To revoke the one-way traffic movement in Kirkham Street between Ainsworth Lane and Back Ainsworth Lane. To prohibit vehicles from waiting at any time on both sides of Kirkham Street, between Ainsworth Lane and Back Ainsworth Lane.

It is the Council's intention that if within a period of 6 months from the coming into force of this Order, no objections have been received, then under sections 1(1), 2(1) to (3) and 4(2) of the Road Traffic Regulation Act 1984, the Council shall continue the Order in force indefinitely.

A copy of the Order, together with relevant plan and statement of the Council's reasons for the Order may be inspected at the Reception, First Floor, Town Hall, Bolton, during normal office hours.
