##### WATER RESOURCES (LICENCES) REGULATIONS 1965

##### *Notice of proposals for a licence to impound water*

The National Rivers Authority has formulated proposals in the form of a draft licence, serial number 7/34/16/1/81 to impound water in the River Waveney, forming the boundary between the parishes of Redgrave and South Lophum at National Grid Reference TM05397964, and the proposed maximum level of impoundment to be no higher than the level of the existing structure. Water will be impounded by a new sluice which will replace the existing structure. The object of the new impounding works is to maintain and improve control of upstream water levels. The water levels to be retained by the new works will not exceed those retained by the existing structure. The impounding works will not create a reservoir.

A copy of the proposals and of any maps, plans or other documents prepared in connection with them may be inspected, free of charge, during the period beginning on 8th January 1996 and ending on 4th February 1996 at Diss Public Library, Church Street, Diss, Norfolk IP22 3DD, between 10 a.m. and 5 p.m. on Mondays, Wednesdays and Thursdays, between 10 a.m. and 8 p.m. on Fridays, and between 10 a.m. and 1 p.m. on Saturdays. Closed all day Tuesdays.

Any person who wishes to make representations about these proposals should do so by writing to the Regional General Manager at the address below, before the end of the period. Copies of all representations received will be forwarded to the Secretary of State for the Environment.

After the expiry of the period the National Rivers Authority will be entitled to pass a Resolution by virtue of which the licence to impound water shall be deemed to be granted unless the Secretary of State for the Environment, either in consequence of any representations made with respect to those proposals, or otherwise, requires the application for the licence to be made to him.
