Notice is hereby given that Kennet District Council, in pursuance of powers conferred by section 69 of the above Act, has designated a revised Conservation Area at Great Bedwyn, being a settlement of architectural or historic interest, which it is desirable to preserve and enhance.

A plan showing the boundary of the designated area is available during normal office hours at the Planning and Environmental Services Department, Kennet District Council, Browfort, Devizes, Wiltshire SN10 2AT.

Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building, or part of a building, with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary consent having first been obtained.

It should be also noted that any person wishing to cut down, top, lop, or uproot any tree must give the Council 6 weeks notice of his or her intention to do so.

Furthermore, whereas certain minor developments may be carried out without express planning permission from the Council, in a Conservation Area the extent of development allowed by the Town and Country Planning General Development Order is less than is generally available. Any person wishing to carry out development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.
