WATER RESOURCES ACT 1991, SCHEDULE 10

AS AMENDED BY THE ENVIRONMENT ACT 1995

Notice of application for consent for the purposes of section 88

Notice is hereby given in accordance with Schedule 10 of the above Act that an application has been made to the Environment Agency by Severn Trent Water Limited for consent to discharge up to 6,653 cubic metres per day of secondary treated sewage effluent (2,838 cubic metres per day under Dry Weather Flow conditions) and settled storm sewage effluent for flows in excess of 77 litres per second to the Carey's Brook at National Grid Reference SO 8394 5094 from Powick Sewage Treatment Works, Upton Road, Powick, Worcester.

Under normal circumstances these discharges are only made to the River Severn and a current consent to discharge is in force. However, this application is required to cover those occasions when river levels are high and the existing outfall to the River Severn is submerged causing the effluent to back-up to the Works and discharge into the Brook. This application will therefore regularise an existing situation and only permit a discharge to the Carey's Brook when the Mean Annual Flood Level (12.37 metres above Ordnance Datum as measured at Newlyn) on the River Severn at Saxons Lode has been exceeded.

In addition to the above, there is an existing consent to discharge to the Carey's Brook from Powick Sewage Treatment Works which will be revoked (cancelled) if this application is granted. Any person who wishes to make representations about the application should do so in writing to the Area Consents Officer at the Agency's offices at Riversmeet House, Newtown Industrial Estate, Northway Lane, Tewkesbury, Gloucestershire GL20 8JG, during the period 2nd July 1996 to 13th August 1996 quoting reference WAV/LS/60358 A,B.

A copy of the application may be inspected free of charge at all reasonable hours at Worcester District Office, Bromwich Road, Lower Wick, Worcester and at the Agency's offices at the above address.

THE WATERSTONE'S GROUP PENSION SCHEME

Pursuant to section 27 of the Trustee Act 1925

The Waterstone's Group Pension Scheme ("the Waterstone's Scheme") was established with effect from 16th May 1989. With effect from 31st January 1990 all contributions to the Waterstone's Scheme ceased, and the Members of the Waterstone's Scheme were offered membership of the W. J. Smith Pension Trust. Waterstone's (Pension Trustee) Limited as Trustees of the Waterstone's Scheme now wishes to complete the winding-up of the Waterstone's Scheme. Accordingly, if any person believes that he or she has an entitlement under the Scheme and that such entitlement or any claim against, or interest in, the Scheme might not have been taken into account (including any person who may have been employed by Waterstone & Co. Limited or any associated Company on a part time basis and who considers that his or her exclusion from the Scheme may have constituted indirect discrimination), such persons should make themselves known to the Trustee of the Scheme by writing to Ian Herbert at the address below on or before 31st August 1996. After 31st August 1996, the Trustee will proceed with the winding-up of the Scheme and the distribution of the Scheme assets, having regard only to the claims and interests of which it has notice.
