*Thame: Amendment of Traffic Regulations and Parking Regulations for Environmental Improvement Scheme*

Notice is hereby given that the South Oxfordshire District Council (acting as agent of the Oxfordshire County Council) proposes to make two Orders for the above purpose under the Road Traffic Regulation Act 1984.

The first Order (under sections 1 and 2 of, and Part IV of Schedule 9 to, the Act) is the Oxfordshire County Council (Thame) (Traffic Regulation) (Amendment) Order 1996. This Order proposes certain changes to the existing waiting and other traffic restrictions in Thame imposed by the General Traffic Regulation Order for the town introduced in 1984 and last amended in 1994. The changes are summarised in the Schedule below and are required to take account of the proposed Thame Environmental Improvement Scheme, which will enhance the appearance of the town centre and improve pedestrian safety. It is planned to begin work in late September after the Thame Fair. The main changes involve extending the paved area around the Town Hall and restricting traffic to service vehicles only around the back of the Town Hall. A one-way system around the car park will be introduced. Four pedestrian crossing points will link the Town Hall to surrounding footpaths. No waiting at any time restrictions will be needed to protect these areas. The existing car parking area at the back of the Town Hall and the disabled spaces are to be removed. The two-hour limited waiting area between 90 and 95 High Street is included in the Street Parking Places Order.

The second Order (under sections 45 and 46 of, and Part IV of Schedule 9 to, the Act) is the Oxfordshire County Council (High Street and Upper High Street, Thame) Designation and Regulation of Street Parking Places (Amendment) Order 1996. This Order proposes minor changes to the existing street parking places Order for the High Street and Upper High Street introduced in 1986 and last amended in 1990, including a new parking area in front of 90 to 96 High Street. There are 43 spaces in the revised parking area, including 4 disabled spaces, plus motor cycle parking. No changes are proposed to the 1-hour parking period or the management of the car park by Thame Town Council.

Copies of the draft Orders, the Orders to be amended, the relevant plan and the Council's Statement of Reasons, are available for public inspection at the Council Offices, Crowmarsh, Wallingford, 9.30 a.m. to 12.30 p.m. and from 2 p.m. to 4.30 p.m. on Mondays to Fridays for the period 12th July to 9th August 1996. The documents can also be inspected at the Thame Town Council Offices, Town Hall, High Street, Thame, during normal office hours over the same period.

Objections to the proposed Orders, stating the grounds on which they were made, and any other representations, should be submitted in writing by 9th August 1996 to the Chief Executive at the address below.

R. Watson, Chief Executive, South Oxfordshire District Council, Council Offices, Crowmarsh, Wallingford, Oxfordshire OX10 8NY.
