City Council's Reasons for Making the Order

To introduce an area-wide scheme to calm traffic with a mixture of road humps and speed cushions to slow down traffic in the area and help reduce the number of road accidents.

Prohibitions of waiting are proposed at the speed cushion positions to ensure that a clear route for traffic is maintained. The removal of some lengths of existing prohibitions of waiting are also proposed to compensate for the loss of parking elsewhere.

No on-street parking will be lost where road humps are installed as vehicles are permitted to park on road humps.

A copy of the draft Order and a plan may be examined at the Information Desk, Civic Offices, Portsmouth, during normal office hours.

Persons wishing either to object to or to support these proposals may do so by sending their representations in writing to Katharine Curtis, Chief Executive's Office, (Ref. KLC/37/47/5), Portsmouth, by Monday, 23rd September 1996, stating the grounds of objection or support.

Under the provisions of the Local Government (Access to Information) Act 1985, any letters of representation which are received may be open to inspection by Members of the public.
