### COTSWOLD DISTRICT COUNCIL

#### PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

##### *Notice under section 70 Conservation Area at Blockley*

Notice is hereby given that Cotswold District Council has reviewed and amended the boundary of the Blockley Conservation Area in the County of Gloucestershire, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Copies of the map of the amended conservation area can be inspected (during normal office hours) at the Council Offices, Trinity Road, Cirencester, Gloucestershire, and at the Council Offices, High Street, Moreton-in-Marsh, Gloucestershire.

The boundary has been revised to omit an area of land adjacent to Draycott Lane around Sheafhouse Farm, to omit a small area of garden adjacent to The Cottage, Pasture Lane, to add a small area of land at the eastern end of the cemetery, Station Road, including the lych gate, front boundary wall and adjacent telephone kiosk, and to add a small area of woodland to the south of Dovedale Cottage at the south end of the High Street.

The purpose of the original designation and this revision is to preserve or enhance the character or appearance of the said conservation area which the Council considers is of special architectural or historic interest when proposals for development are under consideration, in accordance with section 72 of the Act. The designation affects permitted development rights appertaining to properties within the area and proposals for demolition of buildings and other structures including walls, subject to certain exceptions, would require conservation area consent. Regarding trees within the area, subject to certain exceptions the Council must be given 6 weeks prior notice of any intention to cut down, top, lop, uproot, cause wilful damage to, or wilfully destroy any such trees. Failure to obtain the above consents or give such notices may constitute a criminal offence.
