ELECTRICITY NOTICES

TEESSIDE POWER LIMITED

Notice of Extension of a Consent by 90mw to the Construction and Operation of the Wilton Combined Heat and Power Combined Cycle Gas Turbine Generating Station, at Greystone Road, Grangetown, Middlesbrough.

Notice is hereby given that Teesside Power Limited (T.P.L.), have applied to the Secretary of State for Trade and Industry, under section 36 of the Electricity Act 1989 "the Act", and for a direction under section 90(2) of the Town and County Planning Act 1990, that planning permission for the development be deemed to be granted for "The Development of a Startup Facility" to the existing consent to construct and operate a 1875mw Combined Cycle Gas Turbine Generating Station based at Wilton, which was issued by the Secretary of State for Energy on 5th November 1990.

The new extension would give the Power Station the ability to re-energise the electricity supplies to the North East in the event of a major breakdown of the Transmission system.

A copy of the application with a plan showing the land to which it relates, together with a copy of the Environmental Statement Update discussing the Company's alterations to the existing consent in more detail and presenting an analysis of the environmental implications, are available for inspection during normal office hours at Redcar and Cleveland Council, Fabian Road, Cleveland TS6 9AR.

In addition, copies of the Environmental Statement Update may be obtained at a cost of £25 from the office at Redcar and Cleveland Council at the above address, while stocks last.

Any objections should be made in writing to the Secretary of State for Trade and Industry, 1 Victoria Street, London SW1 0ET, stating the name of the Station and the grounds of the objection not later than 3rd November 1997.

MISCELLANEOUS PUBLIC NOTICES

AMOCO (UK) EXPLORATION COMPANY

ENVIRONMENTAL PROTECTION ACT 1990, PART 1, SECTION 6

Integrated Pollution Control

Notice is hereby given that the above-named Company has applied to the Secretary of State for the Environment for a variation to Integrated Pollution Control (IPC), authorisation to operate a Gasification process in the borough/district of Bacton in the county of Norfolk.

Information relating to the above IPC application for variation to authorisation is held in registers at the following locations: the Environment Agency Area Office, Public Register Section, Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 5ZR; and Norfolk District Council, Holt Road, Cromer, Norfolk NR27 9EL.

Members of the public can inspect these registers, free of charge, at the above-stated address, during normal office hours. In addition members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover the costs of copying.

Any objections or representations to the above IPC application should be made in writing to the Environment Agency, Howard House, 40-64 St. John's Street, Bedford MK42 0DL, within 28 days from the date of this notice.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request. In this case, there will be included in the register a statement indicating only that representations have been made which have been the subject of such a request.
