Designation of Conservation Area

Notice is hereby given that, in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 ("the 1990 Act"), Wealden District Council, has by a resolution passed on 4th November 1997, designated the town centre of Hailsham, as referred to in Schedule 1 hereto, as a Conservation Area.

This designation replaces the earlier designated Conservation Area which is hereby cancelled. This special architectural or historic interest of the Area, the character or appearance of which it is desirable to preserve or enhance, is set out in the Designation Report published by Wealden District Council.

- Applications for planning permission for development which would, in the opinion of the Local Planning Authority, affect the character or appearance of a Conservation Area must be advertised in accordance with section 73 of the 1990 Act.

(c) In addition, section 211 of the Town and Country Planning Act 1990, requires that at least 6 weeks' notice is given to the Local Planning Authority of an intention to carry out work on any tree (other than a tree which is already subject of a Tree Preservation Order) in a Conservation Area, subject to certain exceptions.

Full details of the scope of the above-mentioned exceptions may be obtained from the Planning Department of Wealden District Council.
