(b) to secure effective competition in the supply of gas conveyed through pipes.

BRITISH GAS TRADING LIMITED (BGT)

ANNEX 1

Notice of intention to confirm a Provisional Order regarding the use of prepayment gas meters

The Director General of Gas Supply has given the notice set out below to British Gas Trading Ltd.

To British Gas Trading Limited (BGT) having its registered office at 50 Windsor Road, Slough, Berkshire SL1 2HA, and the holder of a licence treated as granted under sections 7A(1)(a) and (b) of the Gas Act 1986 (the Act).

Whereas on 15th December 1997, the Director General of Gas Supply (the Director) issued a provisional Order under section 28(2) of the Act in the terms set out in Annex 1 to this notice (the provisional Order).

Now the Director hereby gives notice as follows:

1. The Director proposes to confirm the provisional Order with modifications in the terms set out in Annex 2 to this notice (the modified Order).

2. The effect of the modified Order is to require BGT to continue to make available to those of its domestic customers who use, or may use, the domestic gas meter which has a pre-payment facility and which is known as, and is hereinafter referred to as, the Quantum Meter, those features of the Quantum Meter which allow for:

- (a) budgeting for payment for gas;
- (b) rationing the use of gas; or
- (c) the provision of emergency credit.

unless and to the extent that the Director consents to those features not being made available.

3. The relevant conditions for the purposes of this notice and the proposed Order are Standard Conditions 15 and 19 of the licence ("the Licence") treated as granted to BGT under sections 7A(1)(a) and (b) of the Act.

4. The acts or omissions which in the opinion of the Director would constitute a contravention of the relevant condition are:

(a) in respect of Standard Condition 15 of the Licence, the making, without the approval of the Director, of a material change in the arrangements made under that condition, for the purpose of satisfying Standard Condition 19 of the Licence, by withdrawing the features of the Quantum meter referred to in paragraph 2 above, which features are part of the said arrangements by virtue of the Quantum meter with those features being the prepayment meter in the contemplation of both BGT and of the Director, and being the prepayment meter usually installed, at the time when the said arrangements were established; and

(b) in respect of Standard Condition 19 of the Licence, the failure to make arrangements under Standard Condition 15 of the Licence in relation to any of the Licensee's domestic customers who, through misfortune or inability to budget to meet bills for gas supplied on credit terms, incurs obligations to pay for gas so supplied which he finds difficulty in discharging, which provide for offering a prepayment meter, within the meaning of that term for the purpose of Standard Condition 19, which, by virtue of the usage of Quantum meters with the features referred to in paragraph 2 above, means a prepayment meter with those features.

5. The other facts which, in the opinion of the Director, justify the confirmation of the modified Order are:

(a) that the budgeting and rationing features of Quantum meters referred to in paragraph 2 above are important to many domestic customers who have difficulty in discharging obligations to pay for gas supplied to them and are used by such customers;

(b) the emergency credit feature of Quantum meters referred to in paragraph 2 above is important to the operation of Quantum meters; and

(c) that the Director considers it likely that, if the modified Order is not confirmed, the Licensee will cease to make available some or all of the features of Quantum meters referred to in paragraph 2 above to some or all of its domestic customers who take their gas supply through Quantum meters.

6. Representations in respect of or objections to the confirmation of the modified Order may be made by 12th January 1998, and should be addressed to Dr. Eileen Marshall, The Office of Gas Supply, Stockley House, 130 Wilton Road, London SW1V 1LQ.

C. Spottiswoode, Director General of Gas Supply

The Gas Act 1986, Section 28(2) Order

To British Gas Trading Limited having its registered office at 50 Windsor Road, Slough, Berkshire SL1 2HA, and the holder of a licence treated as granted under sections 7A(1)(a) and (b) of the Gas Act 1986 (the Act).

The Director General of Gas Supply, pursuant to section 28(2) of the Act and having regard to the matters referred to in section 28(3) of the Act, hereby orders you unless and to such extent as the Director may consent, not to give any instruction or take any action, in relation to the type of domestic gas meter which has a pre-payment facility and which is known as, and is hereinafter referred to as, the Quantum Meter, which will, or may, have the effect of preventing your domestic customers from using, or from using to the extent possible at the date of this Order, those features of the Quantum Meter which allow for:

- (a) budgeting for payment for gas;
- (b) rationing the use of gas; or
- (c) the provision of emergency credit.

and, if any such instruction or action has been given or taken, to take immediate steps to reverse it.

If not previously confirmed under section 28(4) of the Act, this Order will cease to have effect at the end of the period of 3 months from 24th October 1997.

ANNEX 2

The Gas Act 1986, Section 28(2) Order

To British Gas Trading Limited having its registered office at 50 Windsor Road, Slough, Berkshire SL1 2HA, and the holder of a licence treated as granted under sections 7A(1)(a) and (b) of the Gas Act 1986 (the Act).

The Director General of Gas Supply, pursuant to section 28(2) of the Act and having regard to the matters referred to in section 28(3) of the Act, in confirmation, with modifications, of an Order made on 24th October 1997, hereby orders you unless and to such extent as the Director may consent, not to give any instruction or take any action, in relation to the type of domestic gas meter which has a pre-payment facility and which is known as, and is hereinafter referred to as, the Quantum Meter, which will, or may, have the effect of preventing your domestic customers from using, or from using to the extent possible at the date of this Order, those features of the Quantum Meter which allow for:

- (a) budgeting for payment for gas;
- (b) rationing the use of gas; or
- (c) the provision of emergency credit.
