## THERE WILL BE CHANGES TO THE GAZETTE WITHIN THE NEXT MONTH

### Look out for:

- **A new design and other presentational improvements.**  
The Gazettes will be given a more modern design, which is easier to read and more effectively guides the user through the content.
- **Re-ordering and sorting of the notices.**  
Notices will be reclassified and appear under new subject based headings. These main headings will be listed on the front page. Each main section will be further sub-divided. This will help users find the sections they seek more quickly. For Gazette Contributors, the revision will mean that notices are not placed under a broad-based heading but will appear in a subject-based section.
