Swindon Borough Council

HIGHWAYS ACT 1980, SECTION 116 APPLICATION

Notice is hereby given that the said Swindon Borough Council intends to make an application to the Magistrates' Court sitting at Swindon in the said county, on Wednesday, 21st June 2000, at 10 a.m., for an Order authorising that the highway at 131 Kennet Avenue, Greenmeadow in Swindon adjacent to Stour Walk in Greenmeadow, be stopped up.

The application is being made on the grounds that this part of the highway is unnecessary as the area in question to be stopped up is a small area of grass that serves no purpose for access for highway purposes. Further there is no redevelopment due to take place in this area. The application is being made on the condition that the area hatched green which is the visibility splay and to be included in the Stopping-up Order, should not have any shrubs planted with a mature height of more than 500 millimetres or slender trees whose canopy reaches over 2,100 millimetres and that no fences, walls, or other obstructions are placed which could restrict the visibility of road users. The area of land to be stopped up is an unclassified road and does not impede or effect any access.

A copy of the plan showing the effect of the Order to be applied for may be inspected, free of charge, at the Customer Services Department, Civic Offices, Euclid Street, Swindon SN1 2JH, during normal office hours, from 19th May 2000 for a period of 28 days. The plan can also be inspected on site, where a copy is posted.

Any person upon whom this notice has been served, any person who uses the highway or any other person who would be aggrieved by the making of the Order may appear before the Court and make their objections or representations known.

S. P. Taylor, Borough Solicitor
Civic Offices, Euclid Street, Swindon SN1 2JH.
