Road Traffic Acts

London Borough of Tower Hamlets

THE A10 LOCAL ROAD (CITY OF LONDON) (RED ROUTE) (1999/3) (AMENDMENT NO. 1) ORDER 2000

PROVISION OF A PELICAN CROSSING IN BISHOPSGATE BY BRUSHFIELD STREET

Notice is hereby given that the Council of the London Borough of Tower Hamlets, with the consent of the Common Council of the City of London, proposes to make the above-mentioned Order and provide a pelican crossing in Bishopsgate, under sections 6, 23 and 124 of the Road Traffic Regulation Act 1984, as amended by section 8 of, and Part 1 of Schedule 5 of, the Local Government Act 1985 and the Road Traffic Act 1991.

The general effect of the Order will be to amend The A10 Local Road (City of London) (Red Route) Traffic Order 1999 so that the existing 2 minute setting down bays situated adjacent to the western kerb-line of Bishopsgate, opposite Brushfield Street, will be amended as follows:

- the existing setting down bay for taxis will be maintained at 25 metres in length, but moved further south, by approximately 12 metres;
- the existing setting down bay for general traffic will be reduced in length from its northernmost end by approximately 12 metres.

The Council is also considering a proposal to provide a Pelican Crossing in Bishopsgate approximately 24 metres north of its junction with Brushfield Street.

A copy of the proposed Order and drawings showing the proposed Pelican crossing and associated carriageway markings can be inspected by appointment at the offices of Customer Services, Traffic and Transportation Section, Southern Grove Lodge, Southern Grove, London E3 4PN, during normal office hours on Monday to Fridays inclusive, until the expiration of a period of 21 days from the date on which this notice is published.

Any person desiring to object to the proposed Order or new crossing should send a statement in writing of their objection and the grounds thereof, to the above address within the aforementioned period of 21 days.

B. Simpson, acting Service Head, Street Services

Highways

Swindon Borough Council

HIGHWAYS ACT 1980, SECTION 116 APPLICATION

Notice is hereby given that the said Swindon Borough Council intends to make an application to the Magistrates' Court sitting at Swindon in the said county, on Wednesday, 21st June 2000, at 10 a.m., for an Order authorising that the highway at 131 Kennet Avenue, Greenmeadow in Swindon adjacent to Stour Walk in Greenmeadow, be stopped up.

The application is being made on the grounds that this part of the highway is unnecessary as the area in question to be stopped up is a small area of grass that serves no purpose for access for highway purposes. Further there is no redevelopment due to take place in this area. The application is being made on the condition that the area hatched green which is the visibility splay and to be included in the Stopping-up Order, should not have any shrubs planted with a mature height of more than 500 millimetres or slender trees whose canopy reaches over 2,100 millimetres and that no fences, walls, or other obstructions are placed which could restrict the visibility of road users. The area of land to be stopped up is an unclassified road and does not impede or effect any access.

A copy of the plan showing the effect of the Order to be applied for may be inspected, free of charge, at the Customer Services Department, Civic Offices, Euclid Street, Swindon SN1 2JH, during normal office hours, from 19th May 2000 for a period of 28 days. The plan can also be inspected on site, where a copy is posted.
