Scottish Power Gas Limited

NOTICE OF PROPOSAL TO GRANT AN EXTENSION TO A PUBLIC GAS TRANSPORTERS LICENCE

The Director General of Gas Supply, pursuant to section 7(5) of the Gas Act 1986, hereby gives notice that he proposes to grant an extension to a licence under that section held by Scottish Power Gas Limited, whose registered office is situated at 1 Atlantic Quay, Glasgow G2 8SP. The extension, if awarded, will authorise the above-named to convey gas through pipes to any premises in the areas briefly described below and shown on maps previously submitted to the Director General.

Areas:

Gilmerton Dykes Drive, Edinburgh

Copies of these maps are available for inspection at the Office of Gas Supply at the address shown below. The Director General is of the opinion that the above-named applicant intends to carry on the activities which may be authorised by its licence under section 7 of the Act in the areas named, and that the granting of the extension will be calculated:

- (a) to secure that reasonable demands for gas in Great Britain are met, and
- (b) to secure effective competition in the supply of gas conveyed through pipes.

Any representations or objections with respect to the proposed extensions may be made in writing and delivered to Miss Natasha Vernon, 5th Floor, Office of Gas Supply, 16 Palace Street, London SW1E 5JD, no later than 8th September 2000. (519)

AES Fifoots Point Limited

NOTICE OF A REFERENCE TO THE COMPETITION COMMISSION PURSUANT TO SECTION 12(4) OF THE ELECTRICITY ACT 1989

The Director General of Electricity Supply ("the Director"), pursuant to section 12(4) of the Electricity Act 1989 (as amended) ("the Act"), hereby gives notice as follows:

1. He has made a reference ("the reference") to the Competition Commission ("the Commission") pursuant to section 12(1) of the Act in relation to the electricity generation licence ("the Licence") granted under section 6(1)(a) of the Act to AES Fifoots Point Limited.
2. The Reference requires the Commission to investigate and report, not later than 1st November 2000, on the questions:
 - whether the continuation without modification of those provisions of the Licence which apply in relation to the determination of wholesale electricity prices (including the absence of any provision which prohibits conduct (whether the holder of the Licence is acting alone or with one or more undertakings), which amounts to an abuse of substantial market power (whether alone or together with its affiliated and related undertakings)) operates or may be expected to operate against the public interest; and
 - if so, whether any such effects adverse to the public interest could be remedied or prevented by modifications of conditions to the Licence.
3. The Reference specifies the effects adverse to the public interest which, in the opinion of the Director, the matters specified in the Reference have or may be expected to have, and the modifications, in the form of the addition to the Licence of a condition entitled "Market Abuse", by which, in the opinion of the Director, those effects could be remedied or prevented.

A copy of the Reference, including a copy of the matters referred to in paragraph 3 above, can be obtained (free of charge) on application to the Office of Gas and Electricity Markets ("Ofgem"), Stockley House,

130 Wilton Road, London SW1V 1LQ, marked for the attention of Andy MacFaul (or telephone 020 7932 1683).
