

Parliamentary Tracker

Including Daily UK & European Press Releases

A full summary of the events in Parliament including committees and the progress of new legislation

Every day, *The London Gazette* provides a summary of official publications, from press releases to statutes. Each day includes complete listings of all official press releases together with material designed to give a different viewpoint on the activities of Government:

Monday – New Law Tracker. A weekly guide to all new legislation from Westminster including all Statutes and Statutory Instruments.

Tuesday – Statistics & Standards Tracker. A round up of the latest from the Office of National Statistics and the British Standards Institution.

Wednesday – Parliamentary Tracker. A full summary of the events in Parliament including committees and the progress of new legislation.

Thursday – European Tracker. A guide to the latest European materials including consultative documents, draft legislation, treaties, conventions and directives.

Friday – Government Tracker. All new Government publications and what's new on Government websites.

To make it easier to use, everything is put into one of eight broad categories and then further classified according to more specific subject areas.

Home Affairs encompasses items which relate to internal affairs such as law & order, the courts, public records and the workings of Government.

International Affairs covers foreign policy & issues of concern Europe and world-wide.

Trade, Industry & Energy provides a guide to developments in the world of business.

Social Policy concerns matters which affect individuals in their everyday lives, such as education, employment & health.

Transport & Environment encompasses transport policy & the environment, from pollution to regeneration & planning.

Defence, Science & Technology includes defence issues, research & development and technological advances.

Culture & Sport covers leisure time, the media and sport.

Agriculture & Food includes farming, food & fisheries.
