Isle of Wight Council**NOTICE OF ADOPTION OF A UNITARY DEVELOPMENT PLAN****ISLE OF WIGHT UNITARY DEVELOPMENT PLAN**

On 18th May 2001, the Isle of Wight Council adopted this plan. The adopted plan will form the development plan for the area of the Isle of Wight. The development plan forms the basis for decisions on land use planning affecting that area.

London Borough of Hammersmith and Fulham**SECTION 247 OF THE TOWN AND COUNTRY PLANNING ACT 1990****STOPPING UP ORDER**

The London Borough of Hammersmith and Fulham hereby gives notice that it proposes to make an Order, under section 247 of the above Act, to authorise the stopping-up of a length of public footway, on which a right of way exists. The footway in question forms the undercroft of Brook House, located at 229-243 Shepherds Bush Road, Hammersmith, London W6.

The effect of the proposed Order would be to close off the existing right of way to the public, thereby enabling development for which permission was granted, to commence. The development involves the extension of the street frontage at ground floor level to enclose the existing undercroft of Brook House, thereby enlarging the existing ground floor units. The remaining footway directly adjoining the undercroft will not be altered thereby retaining adequate space for pedestrians to move freely and safely along Shepherds Bush Road.

During 28 days from 25th May 2001, copies of the draft Order and relevant plans may be inspected, at all reasonable hours, at the London Borough of Hammersmith and Fulham, Environment Department, Town Hall Extension, 3rd Floor Reception, King Street, London W6 9JU.

Within the above-mentioned period of 28 days, any person may by notice to the Council at the above address, object to the making of the Order.

Preston Borough Council**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990****NOTICE OF DESIGNATION OF CONSERVATION AREA NOOKLANDS CONSERVATION AREA**

Notice is hereby given, pursuant to section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that the Preston Borough Council has determined that the area described in the Schedule to this notice is an area of Special Architectural or Historic Interest, the character or appearance of which it is desirable to preserve or enhance, and has accordingly designated the said area as the Nooklands Conservation Area.

The effect of the designation of a Conservation Area is as follows:

- (i) Where an application for planning permission for any development of land is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to a special procedure under which public notice will be given of the application and representations about the application will be invited;
- (ii) Any person proposing to carry out work to a tree situate within the area which is not already protected by a Tree Preservation Order must give to the Council 6 weeks notice of his intention. This will give the Council the opportunity to make a Tree Preservation Order;
- (iii) With certain exceptions, a building in a Conservation Area may not be demolished without the consent of the Council.

A plan of the Nooklands Conservation Area may be inspected, free of charge, during normal office hours, at the offices of the Planning Department, Lancaster House, Lancaster Road, Preston.

Watford Council**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69****NASCOT CONSERVATION AREA AND ST. MARY'S CONSERVATION AREA**

Notice is given, under the provisions of the 1990 Act, that the properties listed in the Schedules to this notice are included within the respective Conservation Areas. These properties were omitted in error from the Schedules to notices published on 23rd February 2001 of the designation of the Nascot Conservation Area and on 16th February 2001 of the boundary changes to the St. Mary's Conservation Area. Watford Council has determined that both areas within the Borough of Watford, Hertfordshire, are of special architectural or historic interest and that it is desirable to preserve or enhance their character or appearance. It has accordingly designated them as "Conservation Areas". The principal effects of designation as a Conservation Area are as follows:

- (1) The Council is under a duty to prepare proposals to ensure the preservation or enhancement of the Area;
- (2) Consent must be obtained from the Council for the demolition of any building in the Area;
- (3) Six weeks' notice must be given to the Council before works are carried out to any tree in the Area;
- (4) Special publicity must be given to planning applications for development in the Area;
- (5) In carrying out any functions under the Planning Acts (and, in particular, in determining applications for planning permission and listed building consent), the Council and Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the Area.
