Volker Dredging Limited (VDL)**DIRECTIVE 85/337/EEC AS AMENDED BY DIRECTIVE 97/11/EC, ARTICLE 7: NOTICE OF FURTHER INFORMATION RECEIVED IN RESPECT OF AN APPLICATION FOR A GOVERNMENT VIEW ACCOMPANIED BY AN ENVIRONMENTAL STATEMENT****PROPOSED DREDGING FOR SAND AND GRAVEL, AREA 461, MEDIAN DEEP**

The Secretary of State for Transport, Local Government and the Regions hereby gives notice that he received an application from Volker Dredging Limited (VDL) on 1 February 1999 for a Government View on a proposal to extract marine sand and gravel from Area 461, Median Deep, approximately 40 kilometres south of the East Sussex coast, and that further information is available in relation to the environmental statement which has already been provided. A favourable Government View of the proposed project would enable VDL to apply to the Crown Estate Commissioners for a production licence.

It is anticipated that statutory regulations for the control of marine dredging will be introduced shortly to replace the non-statutory Government View procedure. Under the forthcoming arrangements, if it is decided that the application should be granted, a dredging permission would be issued, rather than a favourable Government View as at present.

In accordance with his obligations under Article 7 of Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended by Directive 97/11/EC) the Secretary of State has sent copies of this further information to the following EEA States:

France, Belgium, Denmark, Germany and the Netherlands

to whom copies of the Environmental Statement had previously been sent. He has invited them to confirm whether any concerns expressed about the application at the earlier consultation stage have been resolved and, if they have any unresolved concerns, to advise him of these in writing not later than 21 August 2001. The Secretary of State will make no decision on the application by VDL until after this date.

A copy of the further environmental information and report on the earlier consultation stage prepared by Environmental Resources Management Limited for VDL may be inspected at the Department of Transport, Local Government and the Regions, Eland House, Bressenden Place, London SW1E 5DU between the hours of 9.00 am and 5.00 pm, Monday to Friday until 21 August 2001. To arrange to inspect it please telephone Matthew Louis, on 020-7944 3877. Copies of the further environmental information and the report on consultation may also be purchased direct from Dr Peter Hughes, Environmental Resources Management, Eaton House, Walbrook Court, North Hinksey Lane, Oxford at a cost of £40.

Comments on the further environmental information should be made in writing to the Secretary of State at:

Minerals and Waste Planning Division, Department of Transport, Local Government and the Regions, Zone 4/B1, Eland House, Bressenden Place, London SW1E 5DU.

no later than 21 August 2001.
