Activity Description

enabling disabled people in Kirkby to become involved in farming and giving young people opportunities to work with animals.
providing support and advocacy to people experiencing mental health problems.
providing support, therapy, counselling and practical help for cancer patients and their families.
offering support, practical help and friendship to those in need in Chorlton.
providing toys and equipment for children up to 8 years and for individuals with special needs.
transporting patients, helping in Day Care and helping bereavement counsellors and receptionists.
enabling young people with learning, sensory and physical disabilities in Macclesfield to participate in mainstream leisure activities.
helping children in Runcorn and Widnes in family breakdown to continue or re-establish contact with their non-resident parent or other family members.
providing disabled people opportunities to ride and carriage drive, to benefit their health and well being.
providing transport for patients and providing practical assistance to elderly, disabled and housebound people.
providing support, education and advice to parents of abused children in Blackpool, Wyre and Flyde.
improving lives of local residents through urban regeneration, crime prevention and educating young people in community citizenship.
providing help and assistance for any Rochdale child in need.
providing practical support, information, advice and social activities to local people with sight problems.
providing practical help and emotional support, transporting patients and helping with hospice events and fundraising.
promoting community fire safety through young people in Warrington working with the Fire Service.
providing support for women who have suffered from or have concerns about breast cancer.
providing holidays and social activities for adults with learning disabilities in Warrington and giving respite to their carers.
maintaining a historic listed building for use by local groups and societies.
providing facilities and resources to improve the quality of life for residents of Benchill and to regenerate the area.
providing links between ethnic communities and statutory and voluntary organisations, including promotion of advice and education programmes.
befriending elderly and housebound people and those living alone, and arranging outings to places of interest.
supporting people affected by drug use, directly or indirectly, by providing counselling and a telephone helpline.
providing practical facilities for people with physical or learning difficulties to enjoy horse riding.
