

**Yorkshire Water Services Ltd****PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER SECTION 11 OF THE ENVIRONMENTAL PROTECTION ACT 1990, PART I****INTEGRATED POLLUTION CONTROL**

Notice is hereby given that Yorkshire Water Services Ltd has applied to the Environment Agency for a variation to an Integrated Pollution Control (IPC) authorisation to operate a Sewage Sludge Incinerator at Blackburn Meadows WWTW, Alsing Road, Sheffield S9 1HL, in the county of South Yorkshire.

The variation is to allow Yorkshire Water Services to update the plant to enable it to reduce levels of emissions to air.

Information relating to the above IPC application for the variation to the authorisation to operate the Sewage Sludge Incinerator is held in registers at the following locations:

The Environment Agency, Phoenix House, Global Avenue, Leeds, LS11 8PG; and

Department of Environment and Leisure, Environmental Protection Services, Sheffield City Council, 2-10 Carbrook Hall Road, Sheffield S9 2DB.

Members of the public can inspect these registers, free of charge, at the above stated addresses during normal office hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover the costs of copying.

Any objections or representations to the above IPC application for the variation should be made in writing to the Environment Agency at the address above, within 28 days from the date of this public notice.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request.

In this case there will be included in the register a statement indicating only that representations have been made which have been the subject of such a request. (110)
