## Harbours

### HARBOURS ACT 1964

#### PROPOSED MARYPORT HARBOUR REVISION ORDER

Notice is hereby given that the Maryport Harbour Commissioners ("the Commissioners") have applied to the Secretary of State for Transport to make a Harbour Revision Order under section 14 of the Harbours Act 1964.

The objects of the proposed Order are:

1. To alter the name and the constitution of the Commissioners. On or after the new constitution date (1 September 2004) the Commissioners shall be known as the Maryport Harbour Authority ("the Authority"). The object of the alteration to the Constitution of the Commissioners is to give effect to the guidance contained in the Government report "*Modernising Trust Ports—a Guide to Good Governance*". Under the new constitution the Authority will consist of a body of seven Members being six appointed Members and the general manager. Under the terms of the Order, the appointed Members will retire in rotation.

2. To repeal most of the existing local legislation relating to the harbour, and replace it with legislation framed in modern terms. The proposed Order will:

(a) Define in modern terms the limits within which the Authority shall continue to exercise jurisdiction as a harbour authority (more particularly shown on the "harbour map" referred to below) and continue the power of the Authority to improve, maintain and repair the harbour.

(b) Confer further powers as to management and regulation of the harbour including the provision of aids to navigation, removal of obstructions, use of the harbour, moorings within the harbour, repair of landing places, power to grant permits in respect of certain pleasure craft, power to dredge and to provide dredgers, tugs etc., disposal of wrecks (including a saving for Crown interest in wrecks), power to deal with unserviceable vessels, to enable the Authority to give general and special directions to vessels, provide for the publication of general directions, and deal with enforcement of directions.

(c) Confer powers on the Authority with respect to the control of works and dredging in the harbour including the licensing of works and dredging; to provide protection for the Secretary of State and Trinity House in respect of tidal works, to make provision about lights on tidal works, abatement of works abandoned or decayed and for the survey of tidal works.

(d) Make provision regarding charges including charges on certain floating articles or services and facilities, payment of charges, exemptions from charges and recovery of charges.

(e) Allow the Authority to make byelaws in relation to the harbour for a wide range of purposes specified in the Order and provide the procedure for making byelaws.

(f) Make provision for the finances of the Authority including general borrowing powers, temporary borrowing and to make provision about allocation of harbour revenue, existing borrowing and harbour stock; and to make provision for the auditing of the accounts and the publication of an annual statement of accounts.

(g) Confer miscellaneous provisions on the Authority including protection for the Members of the Authority from personal liability in the discharge of their functions, to provide that the clerk of the Commissioners shall be known as the general manager of the Authority; to give power to the Authority to grant licences of land within the harbour and to develop any of the harbour land; to make provision for the loading or unloading of certain goods, liability for safety of goods, boarding of vessels and removal of goods; and to provide power to provide parking places and removal of vehicles.

3. The Order would also repeal all the existing local legislation relating to the harbour except that relating to the existing harbour stock.

The proposed Order would not authorise a project. Accordingly Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended by Council Directive 97/11/EC) does not apply to the proposals and no environmental statement has been supplied with the application.

A copy of the draft Order and the harbour map which accompanied the application may be inspected at all reasonable hours at the offices of Milburns, Solicitors to the Commissioners at 45 Curzon Street, Maryport, Cumbria CA15 6LP.
