## ***London Borough of Ealing***

### **PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) 1990**

Notice is hereby given that on 14 May 2004, the London Borough of Ealing as Local Planning Authority designated the area described in the Schedule to this notice as an extension to Bedford Park Conservation Area, in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Conservation areas are designated in order to preserve or enhance the character or appearance of areas of special architectural or historic interest and to stimulate and encourage initiatives to improve the environment.

The effect of designating an area as a Conservation Area is to bring the demolition of buildings under control. Anyone wishing to carry out work to a tree, not already protected by a Tree Preservation Order, must give at least six weeks' notice to the Council. The designation of a Conservation Area also has the effect of reducing the extent of permitted development rights pertaining to side, rear and roof extensions to

dwelling houses, the siting of satellite dishes, and the erection of outbuildings.

For further information, please contact Planning Services, Perceval House, 14-16 Uxbridge Road, London W5 2HL (telephone for General Enquiries: 020 8825 6600).
