## HAMPSHIRE COUNTY COUNCIL

### THE SOUTH HAMPSHIRE RAPID TRANSIT ORDER 2001

By the South Hampshire Rapid Transit Order 2001, the Hampshire County Council is authorised to acquire land for the South Hampshire Rapid Transit Scheme and now gives notice pursuant to section 3 of the Compulsory Purchase (Vesting Declarations) Act 1981, as amended by article 37 of the South Hampshire Rapid Transit Order 2001, that it may acquire such land by the execution of a General Vesting Declaration that will have the effect of transferring that land to the Hampshire County Council. In relation to Hampshire County Council's intention to execute a General Vesting Declaration, attention is drawn to the Statement of Effect of Parts II and III of the Compulsory Purchase (Vesting Declarations) Act 1981 set out below:

#### Part 1

Form of Statement of Effect of Parts II and III of the Compulsory Purchase (Vesting Declarations) Act 1981

Power to make general vesting declaration

1. The Hampshire County Council may acquire any of the land described in the Schedule hereto by making a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981. This has the effect, subject to paragraph 4 below, of vesting the land in Hampshire County Council at the end of the period mentioned in paragraph 2 below. A declaration may not be made before the end of a period of 2 months from the first publication of a notice which includes this statement except with the consent in writing of every occupier of the land affected.

Notices concerning general vesting declaration

2. As soon as may be after the Hampshire County Council make a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 3) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a further period begins to run. This period, which must not be less than 28 days, will be specified in the declaration. On the first day after the end of this period ("the vesting date") the land described in the declaration will, subject to what is said in paragraph 4, vest in the Hampshire County Council together with the right to enter on the land and take possession of it. Every person on whom Hampshire County Council could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 3) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

Modifications with respect to certain tenancies

3. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", that is a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

4. The modifications are that Hampshire County Council may not exercise the right of entry referred to in paragraph 2 in respect of land

subject to a tenancy described in paragraph 3 unless they first serve notice to treat in respect of the tenancy and then serve every occupier of the land with a notice of their intention to enter and take possession after the period (not less than 14 days from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.
