

SCHEDULE

The planning permission is granted for the proposed demolition of 21-36 and 38-76 Lily Gardens and erection of 49 dwellings at Lily Gardens, Dipton, Stanley, County Durham. (152)

West Wiltshire District Council**TOWN AND COUNTRY PLANNING ACT 1990****NOTICE OF ADOPTION OF A UNITARY DEVELOPMENT PLAN, LOCAL PLAN, MINERALS LOCAL PLAN OR WASTE LOCAL PLAN OR PROPOSALS FOR THE ALTERATION OR REPLACEMENT OF SUCH A PLAN****WEST WILTSHIRE DISTRICT PLAN 1ST ALTERATION**

On 4 June 2004, West Wiltshire District Council adopted this plan. The adopted plan will form the development plan for the area of West Wiltshire District Council. The development plan forms the basis for decisions on land use planning affecting that area.

Copies of the adopted plan are available for inspection at West Wiltshire District Council Offices, Bradley Road, Trowbridge, on Monday to Thursday 9.00 am to 5.00 pm and Friday 9.00 am to 4.30 pm, and at the Bradford on Avon, Melksham, Trowbridge, Westbury and Warminster public libraries during normal opening hours.

The plan came into operation on its adoption. A person aggrieved by the proposals who desires to question their validity on the ground that they are not within the powers conferred by Part II of the Town and Country Planning Act 1990, or that any requirement of that Act or regulation made under it has not been complied with in relation to the adoption of the proposals, may, within 6 weeks from 4 June 2004, make an application to the High Court under section 287 of the 1990 Act. (102)

Environment**Environmental Protection****Biffa Waste Services Ltd****PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER REGULATION 10 OF THE POLLUTION PREVENTION AND CONTROL (ENGLAND AND WALES) REGULATIONS 2000****INTEGRATED POLLUTION PREVENTION AND CONTROL**

Notice is hereby given that Biffa Waste Services Ltd has applied to the Environment Agency for an Integrated Pollution Prevention and Control (IPPC) permit to operate an installation involving the disposal of waste by landfill, and the directly associated activity of flaring/utilization of landfill gas for energy recovery. The installation is located at Pontefract Lane, Newsam Green, in the district of Leeds, in the county of West Yorkshire.

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

Information relating to the above IPPC application for a permit to operate Skelton Grange Landfill Site is held in the following locations:

Public Register: The Environment Agency, Phoenix House, Global Avenue, Leeds LS11 8PG; and

Local Authority: IPPC Public Register, Neighbourhoods and Housing Department, Environmental Health Services, 6th Floor South Point, South Accommodation Road, Leeds LS10 1PP.

Members of the public can inspect these registers, free of charge, at the above stated addresses during normal office hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover the cost of copying.

Any objections or representations to the above IPPC application should be made in writing to the Environment Agency at the address shown below, within 28 days from the date of this public notice.

Environment Agency SPG Nottingham, Trentside Offices, Scarrington Road, West Bridgford, Nottingham NG2 5FA.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request. (109)

Drax Power Limited**PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER REGULATION 10 OF THE POLLUTION PREVENTION AND CONTROL (ENGLAND AND WALES) REGULATIONS 2000****INTEGRATED POLLUTION PREVENTION AND CONTROL**

Notice is hereby given that Drax Power Limited has applied to the Environment Agency for an Integrated Pollution Prevention and Control (IPPC) permit to operate an installation involving the deposition and reclaim of pulverised fuel ash and other materials originating from Drax Power Station. The installation is located at Barlow Mound, Drax Power Station, in the Selby District Council area of North Yorkshire.

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

Information relating to the above IPPC application for a permit to operate the Barlow Mound Ash Disposal Site is held in registers at the following locations:

The Environment Agency, IPPC Public Register, Phoenix House, Global Avenue, Leeds LS11 8PG; and

Selby District Council, IPPC Public Register, Environment Health, Civic Centre, Portholme Road, Selby, North Yorkshire YO8 4SB.

Members of the public can inspect these registers free of charge at the above stated addresses during normal working hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover the costs of copying.

Any objections or representations to the above IPPC application should be made in writing to the Environment Agency at the address below, within 28 days from the date of this public notice.

The Environment Agency SPG Nottingham, Trentside Offices, Scarrington Road, West Bridgford, Nottingham NG2 5FA.

Any such objections and representations will be entered into a public register unless the person making them requests in writing that they will not be so placed. If there is such a request, the register will only include a statement that there has been a request. (108)

Water**Water Resources****Environment Agency**

Take notice that John Mew of Braylsham Castle, Broad Oak, Heathfield, Sussex TN21 8TY, is applying to the Environment Agency for a licence to obstruct or impede the flow of a ditch at Pottens Mill at National Grid Ref TQ 614 242 in the parish of Broad Oak. Water will be impounded by excavation and an earth bank with the objective of improving the environmental appearance. The capacity of the reservoir will be approximately 900 cubic metres. A copy of the application with the accompanying plans and drawings may be inspected, free of charge, at all reasonable hours at Braylsham Castle, between 11 June 2004 and 11 July 2004. Any person who wishes to make representation about the application should do so in writing to the Environmental Agency, Orchard House, Endeavour Park, London Road, Addington, West Malling, Kent ME11 5SH before the end of the said period, quoting the name of the applicant.

J Mew

4 June 2004.
