FCO—Foreign Secretary, Rt Hon Jack Straw Mp, Opening Speech Government Debate On Zimbabwe

Mr Speaker, It is the great misfortune of the people of Zimbabwe that Robert Mugabe's regime has no regard for human rights, the rule of law, or the responsibility of government to provide competent economic management. A comparatively prosperous country has been plunged into poverty by the recklessness of its ruling party. Members of the Zimbabwean Opposition have been subjected to persistent violence and victimisation. And on the country's farms, regime thugs have subjected owners and workers, the great majority black, but also white, to a campaign of terror.
