#### **WATER RESOURCES ACT 1991**

##### **NOTICE OF APPLICATION TO VARY LICENCES TO ABSTRACT WATER**

Notice is hereby given that an application is being made to the Environment Agency, Thames Region by Thames Water Utilities Ltd, Clearwater Court, Vastern Road, Reading, Berkshire RG1 8DB, to vary a licence to abstract water from underground strata in South London in the event of emergency.

Thames Water wishes to amend the existing emergency licence (Licence Serial No 28/39/M/4), which allows abstraction under emergency conditions from Stroud Green, Surrey Street, Selhurst, Waddon and Addington to include the source at West Wickham (grouped at National Grid Ref TQ 380 645) and to remove Stroud Green and Selhurst from the licence as they are now disused. The total volume permitted for abstraction from the licence will need to be increased from 51,143 cubic metres per day to 58,385 cubic metres per day and from 12,133,274 cubic metres per year to 14,836,767 cubic metres per year; this volume is in aggregate with the volumes permitted for abstraction from this group of licences during non-emergency conditions. This application is required to provide greater flexibility for abstraction in South London during periods of emergency. This application will not result in any increase in the amount of water that is licensed for abstraction. The water will be used for public supply in the South London area.

A copy of the applications and of any maps, plans or other documents submitted with them may be inspected, free of charge, at West Wickham Library, Glebe Way, West Wickham BR4 0SH, at all reasonable hours during the period beginning on Friday 5 November 2004 and ending on Monday 6 December 2004.

Any person who wishes to make representations about the application should do so in writing to the Team Leader Water—Resources Regulation, Environment Agency, Thames Region, Isis House, Howbery Park, Wallingford, Oxfordshire OX10 8BD, before the end of the said period.
