(REFERENCE 40/06)

1. Notice is hereby given that the Council of the London Borough of Richmond upon Thames made the above mentioned Orders on 22 May 2006, under sections 9 and 10 of the Road Traffic Regulation Act 1984, as amended, and the Road Traffic Act 1991.

2. The principal objective is to provide a scheme of traffic management at a lay-by on the west side of Petersham Road to the south of the site of the former "Three Pigeons" public house which will improve an access point for vehicles and pedestrians to the riverside towpath adjoining the River Thames.

3. The general effect of the Weight Restriction Order will be to limit access by motor vehicles to the towpath at the point described above only to vehicles whose maximum gross weight does not exceed 7.5 tonnes between the hours of 12.00 midnight and 10.00 am every day, such movement being controlled by an electrically-operated bollard and access being permitted only to those vehicles as have a reasonable need for access.

4. The general effect of the Loading Places Order will be to introduce a loading bay within the lay-by for the sole use of vehicles whilst loading and unloading—the bay to be operational at all times and the maximum period during which any vehicle may wait will be 1 hour.

5. The general effect of the Waiting and Loading Restriction Order will be to introduce a waiting restriction "no waiting at any time" at the above lay-by.

6. The above Orders introduce similar controls as were proposed (by notices given on 10 March and 24 March 2006 and referenced 23/06) would be introduced by Orders made under section 6 of the Road Traffic Regulation Act 1984. Those Notices of Proposals are hereby withdrawn.

7. Full details of the Orders, which will come into operation on 5 June 2006, are contained in the following documents:

- (a) the Orders;
- (b) a plan indicating the location and effect of the restrictions; and
- (c) the Council's statement of reasons for making the Orders.

10. Further information may be obtained by telephoning David Pope on 020 8891 7389.
