

Northern Ireland

Voluntary Group

Down's Syndrome Association

Activity Description

provides information, support and personal development to children and adults with Down's syndrome, their families and members of the general public with an interest in the condition.

Praxis Befriending Service
Riding for the Disabled Association (Coleraine and District)

provides friendship and support for those who are socially isolated by mental ill health. provides horse riding and driving opportunities for disabled persons—both physically and mentally handicapped people from the area.

Scotland

Voluntary Group

ACCORD Hospice

Activity Description

provides care to patients and their families both within the hospice and in the community.

Befriend a Child Scheme

aims to relieve the suffering and distress, promote welfare and advance the education of children in Aberdeen.

Cancer Link Aberdeen and North (CLAN)

provides free information, support, education and complementary therapies together with a range of support services to anyone directly or indirectly affected by cancer.

Gatehouse of Fleet YMCA Drop in Centre

provides a drop in centre for social and informal educational recreation used by local socially and rurally disadvantaged young people.

Interest Link Borders

links adults with learning disabilities throughout the Scottish Borders one-to-one with compatible and trained volunteers so they can meet up on a regular basis to do activities of their choice in the community.

Inverclyde Family Contact Centre
Knowetop Community Farm Volunteers

supports and promotes positive relationships between children and absent parents. promotes and advances knowledge in the fields of horticulture, agriculture, care of animals, recycling and other environmental issues.

MARC

a social enterprise which provides advice and information to the community about a range of services. It also offers training and education, and provides reused furniture and household goods to the general public.

Moffat Mountain Rescue Team

rescue service for people injured, immobilised, lost or in distress in the Moffat and surrounding areas.

Newtongrange Phoenix Club for the Disabled

entertains and stimulates people who have learning difficulties to make them feel welcome and wanted.

Oasis

provides a pleasant and welcoming place for young people of secondary school age. The premises are a safe and attractive alternative to hanging around on the streets and becoming involved in the drugs culture.

Tain Gala Association

brings the wider community together through the organising and staging of both large and small scale events and activities throughout the year.

The Murray Foundation

provides support and counselling to patients affected by limb loss or limb absence.

Wales

Voluntary Group

Helping Hands

Activity Description

provides a home comforts lending service of medical and other equipment to seriously ill residents in the local area.

Just Us

supports young people, providing a number of vital support roles to young people involved with Swansea Youth Offending Team.

Neath Port-Talbot Cancer Challenge Charity

aims to buy life saving equipment for the cancer units in our local hospitals, raising money through a variety of initiatives including a choir.

The Beacon of Hope

gives comfort and guaranteed practical action for people when they are ill or dying and for their families and carers.
