The plan came into operation on its adoption. A person aggrieved by the proposals who desires to question their validity on the ground that they are not within the powers conferred by Part II of the Town and Country Planning Act 1990 or that any requirement of that Act or any regulation made under it has not been complied with in relation to the adoption of the proposals, may, within 6 weeks from 26 June 2006, make an application to the High Court under section 287 of the 1990 Act. Ashton & Moore Ltd.

PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER REGULATION 10 OF THE POLLUTION PREVENTION AND CONTROL (ENGLAND AND WALES) REGULATIONS 2000

INTEGRATED POLLUTION PREVENTION AND CONTROL

Notice is hereby given that Ashton & Moore Ltd. has applied to the Environmental Agency for an Integrated Pollution Prevention and Control (IPPC) permit to operate an installation involving metal finishing under section 2.3 part A(1)a of the Pollution Prevention and Control Regulations 2000. The installation is located at 12 Smith Street and 43-47 Barr Street, Hockley, Birmingham B19 3DG, in the District Council of Birmingham, in the West Midlands.

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

Information relating to the above IPPC application for a permit to operate for Ashton & Moore Ltd. is held in registers at the following locations:

The Environment Agency, IPPC Public Register, Sentinel House, 9 Wellington Crescent, Fradley Park, Lichfield, Staffordshire WS13 8RR; and IPPC Public Register, Environmental Services, Birmingham City Council, The Council House, Victoria Square, Birmingham B1 1BB.

Members of the public can inspect these registers, free of charge, at the above stated addresses during normal office hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the register can do so upon the payment of a reasonable charge to cover the costs of copying.

Any objections or representations to the above IPPC application should be made in writing to the Environment Agency at the address below, within 28 days from the date of the public notice.

The Environment Agency, Lower Trent Area Office Nottingham, Strategic Permitting Group, Trentside Offices, Scarrington Road, West Bridgford, Nottingham NG2 5FA.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request.

This application is subject to the Public Participation Directive. This means the Environment Agency will consult on its draft decision before finally determining this application. The draft notice will be placed in the public registers and advertised on the Environment Agency website at www.environment-agency.gov.uk/draftdecisions (103)

Heathrow Airport Limited

PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER REGULATION 10 OF THE POLLUTION PREVENTION AND CONTROL (ENGLAND AND WALES) REGULATIONS 2000

INTEGRATED POLLUTION PREVENTION AND CONTROL

Notice is hereby given that Heathrow Airport Limited has applied to the Environment Agency for an Integrated Pollution Prevention and Control (IPPC) permit to operate an existing IPC and IPPC installation involving all boiler houses > 1MW serving Heathrow Airport. The installation is located at Heathrow Airport Limited, Building 448, Central Terminal Area, Heathrow Airport, Hayes, Middlesex UB3 5AP, in the London Borough of Hillingdon, in the county of Middlesex. The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

Information relating to the above IPPC application for a permit to operate the Heathrow Boilers is held in registers at the following locations:

The Environment Agency Office, Apollo Court, 2 Bishops Square Business Park, St Albans Road West, Hatfield, Hertfordshire AL10 9EX; and

Local Authority, London Borough of Hillingdon, Civic Centre, High Street, Uxbridge, Middlesex UB8 1UW.

Members of the public can inspect these registers, free of charge, at the above-stated addresses during normal office hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover the costs of copying.

Any objections or representations to the above IPPC application should be made in writing to the Environment Agency at the address below, within 28 days from the date of this public notice.

The Environment Agency, Environment Agency Office, Bedford SPG, Howard House, 40-64 St Johns Street, Bedford MK42 0DL.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request. (158)

Waste Gas Technology UK Ltd

PUBLIC NOTIFICATION OF AN APPLICATION MADE UNDER REGULATION 10 OF THE POLLUTION PREVENTION AND CONTROL (ENGLAND AND WALES) REGULATIONS 2000

INTEGRATED POLLUTION PREVENTION AND CONTROL

Notice is hereby given that Waste Gas Technology UK Ltd has applied to the Environment Agency for an Integrated Pollution Prevention and Control (IPPC) permit to operate an installation involving the gasification of refuse derived fuel to generate power. The installation is located at the Waste Reclamation Plant, Forest Road, Newport, Isle of Wight PO30 SYS, in the district of the Isle of Wight.

The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

Information relating to the above IPPC application for a permit to operate Isle of Wight Energy From Waste Plant is held in registers in the following locations:

The Environment Agency Office, Colvendene Court, Wessex Business Park, Wessex Way, Colden Common, Winchester, Hampshire SO21 1WP; and

Isle of Wight Council, The Quay, Newport, Isle of Wight PO30 2EH.

Members of the public can inspect these registers, free of charge, at the above-stated addresses during normal office hours. In addition, members of the public who wish to obtain a copy of the relevant information contained in the registers can do so upon the payment of a reasonable charge to cover costs of copying.

Any objections or representations to the above IPPC application should be made in writing to the Environment Agency at the address below, within 28 days from the date of this public notice.

The Environment Agency Office, Bedford SPG, Howard House, 40-64 St John Street, Bedford MK42 0DL.

Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request. (106)
