Four hour visitor vouchers

The London Borough of Barnet designates on-street parking places within the borough in which vehicles can be left in those parking places during their controlled periods when a residents permit or a visitor voucher is displayed in the vehicle.

Currently residents living in a Controlled Parking Zone (CPZ) can purchase visitor vouchers applicable to that CPZ, which when displayed correctly, would allow a motorist to park in the relevant parking places all day, at an equivalent cost of £4.16p per voucher.

The general effect of the Controlled Parking Zone Order would be to introduce and allow residents living in a CPZ to purchase visitor vouchers applicable to that CPZ, which when displayed in the vehicle would allow a motorist to park in the relevant parking places in that CPZ for up to four hours. The cost of a "four hour" visitor voucher would be £2.20 per voucher, available in sets of twelve.

5% discount on parking vouchers for businesses

The London Borough of Barnet designates on-street and off-street parking places within the Borough in which charges are made for vehicles to be left in those parking places during their controlled periods. Charging for the use of these parking places are controlled via "pay by phone" technology, at "Paypoint" outlets throughout the borough, and through the display of pre-purchased parking vouchers which have unit costs of varying amounts.
