NOTICE OF REVISION TO THE NATIONAL TERMS OF CONNECTION

DCUSA Ltd whose registered office is situated at 2-3 Golden Square, Ground Floor, Grafton House, London W1F 9HR, hereby gives notice of a revision to the National Terms of Connection (NTC). The NTC set out rights and duties in relation to the connection at which a Licensed Distribution Network Operator (LDNO) delivers electricity to, or accepts electricity from, a home or business. The revision will be made to sections 1, 2 and 3 of the NTC and implemented in the DCUSA on 23 February 2017. Private network operators may be impacted by this change.

This change modifies the NTC so that they apply to LDNOs' connections to unlicensed networks at which there is no boundary metering for settlement purposes. If you want a copy of the NTC or have any questions about it, please write to Energy Networks Association, 6th Floor, Dean Bradley House, London SW1P 2AF or see the website at www.connectionterms.co.uk.
