THE WREXHAM GAS FIRED GENERATING STATION ORDER 2017 THE PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2009

NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT

The Secretary of State for Business, Energy and Industrial Strategy ("the Secretary of State") gives notice under regulation 23 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 that a determination has been made on an application by Wrexham Energy Limited ("the application") for an order granting development consent under the Planning Act 2008.

The application was for the construction and operation of a gas fired generation station with an installed capacity of up to 299MWe at Kingmoor Park South near Wrexham in Wales. It also included provision in the order for the compulsory acquisition and temporary possession of land for the gas connection alignment and related powers to facilitate development.

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application that development consent should be granted for the project, and therefore has decided to make an Order under sections 114, 115 and 120 of the Planning Act 2008.

The statement of reasons for deciding to make an order granting development consent prepared by the Secretary of State under section 116(1) of the Planning Act 2008 and regulation 23(2)(d) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main measures to avoid, reduce and offset any major adverse effects of the development, and information regarding the right to challenge the decision and the procedures for doing so, is published on the Planning Inspectorate's website:
