LONDON BOROUGH OF WALTHAM FOREST

PROPOSED ON-STREET PARKING PERMIT CHANGES - ALL CONTROLLED PARKING ZONES T43(17)

THE WALTHAM FOREST (CHARGED-FOR PARKING PLACES) (AMENDMENT NO. *) ORDER 201*

1. **NOTICE IS HEREBY GIVEN** that the Council of the London Borough of Waltham Forest ('the Council') propose to make the above-mentioned Order under sections 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984.

2. The general effect of the Order would be to –

(a) make provision for the issue of one 'hard-copy' resident parking permit or the grant of one 'virtual' resident parking permit per year free of charge to any resident who is the holder of a valid disabled persons badge ('blue badge');

(b) make provision for the issue of one additional book of thirty (30) 1 hour 'hard-copy' visitor parking permits or the grant of thirty additional 1 hour 'virtual' visitor parking permits per year free of charge to any resident household in which one or more of the residents is 60 years of age or over, making a total of sixty (60) 1 hour visitor parking permits available free of charge to such a household per year;

(c) introduce a 'carers permit' which, upon successful application, would be available free of charge to any carer registered with the Council who is in receipt of a DWP Carers Allowance and who is providing care to a resident living in a controlled parking zone ('CPZ') in the London Borough of Waltham Forest ('the borough'), regardless of whether or not that carer resides in the borough, and which would permit that carer to park without time limit in a resident parking place or permit shared-use parking place within that CPZ whilst providing care to that resident.

The Council would, in addition, consider applications for a carers permit on a case by case basis from carers who are not in receipt of a DWP Carers Allowance but who provide care to a resident living in a CPZ in the borough. Medical documents would need to be provided to the Council by the resident receiving care to support such an application. In such a case the carers permit would be charged at the current resident parking permit charge rates - as detailed on the council's website, see:- <https://walthamforest.gov.uk/node/356>

A carers permit may be either issued in the form of a 'hard-copy' (paper) permit or granted as a 'virtual' permit.

(d) restrict the eligibility provision for the issue or grant of charity parking permits to charities registered with the Charities Commission only;

(e) expand the eligibility provision for the issue or grant of school staff parking permits so as to include school staff who are residents of the London Borough of Waltham Forest ('the borough');

(f) expand the eligibility provision for the issue or grant of essential user parking permits so as to include Police Officers;

(g) to reduce to a maximum of 8 hours the daily cap on the number of 1 hour hard-copy visitor permits or 1 hour virtual visitor permits required to permit all-day visitor parking in any of the borough's controlled parking zones ('CPZs') where the permitted hours are more than 8 hours in duration; and

(h) introduce provision for the issue or grant of a new tradespersons permit, which may be applied for by CPZ residents on the behalf of tradespersons engaged in work at their home address, and which would be available as either a 7 day single zone permit (£25) or 28 day single zone permit (£90);

A tradespersons permit may be either issued in the form of a 'hard-copy' (paper) permit or granted as a 'virtual' permit and the charges above apply for all vehicle emission bands:
