## WATER

### SOUTHERN WATER SERVICES LIMITED

#### STATUTORY NOTICE FOR DROUGHT PERMIT APPLICATION

#### BEWL WATER RESERVOIR - REDUCTION OF MINIMUM

#### RESIDUAL FLOW ON THE RIVER MEDWAY

TAKE NOTICE that due to the threat of a serious deficiency of water supplies in the Kent Medway, Kent Thanet and Sussex Hastings water supply areas, caused by an exceptional shortage of rainfall, Southern Water Services Limited ("Southern Water") of Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX, is applying to the Environment Agency for a drought permit under Section 79A of the Water Resources Act 1991.

Southern Water is licensed to abstract water from the River Teise at Smallbridge, the River Medway at Yalding and Springfield, and at Bewl Water Reservoir, under Licence 02/114 dated 22 November 2017 ("the Licence"). Under the terms of the Licence, Southern Water is allowed to abstract a maximum quantity of 250 Mega litres per day (Ml/d) at Yalding in subject to Minimum Residual Flows of 200 Ml/d January, 250Ml/d in February and 275 Ml/d in March and April and 137 Ml/d at Springfield subject to a Minimum Residual Flow ("MRF") of 275 Ml/d as measured at Teston weir.

The proposed drought permit will involve an amendment to the Licence to reduce the MRF to 150 Ml/d until 31 March 2018. The proposed drought permit, if granted, will allow Southern Water to continue to abstract water at the lower MRF in the River Medway.

To the extent that dissolved oxygen levels in the water may fall below the licence threshold as a result of the permit abstraction will cease and mitigation begin,

If granted the permit will assist in the refill of Bewl Water Reservoir, which is currently depleted. The refill of Bewl Water Reservoir is necessary to secure the supplies of water made available to the public.

The permit will be decrease the rate of drawdown in Bewl Water reservoir and assist with its refill. The Company has carried out a comprehensive environmental assessment. Potential negative effects will be mitigated by an Environmental Action Plan and appropriate conditions in the drought permit by the Environment Agency, after consultation with Natural England and other affected parties.

From Friday 5th January 2018, anyone may inspect the proposals, free of charge, at the offices of: Southern Water at Southern House, Capstone Road, Chatham, Kent, ME5 7QA; or at Southern House Yeoman Road, Worthing, West Sussex, BN13 3NX; or at the Environment Agency at Orchard House, Endeavour Park, London Road, Addington, West Malling, Kent, ME19 5SH, between the hours of 10:00 am. and 4:00 pm., Monday to Friday; or at The Sailing Club at Bewl Water Reservoir, near Lamberhurst, Tunbridge Wells, Kent, TN3 8JH, between the hours 9:00 am to 3:00 pm Monday to Friday or 9:00 am to 4:45 pm Saturday and Sunday; or Kent History And Library Centre, James Whatman Way, Maidstone Kent ME14 1LQ between the hours of 9:00 am to 6:00 pm Monday to Friday and between the hours of 9:00 am to 5:00 pm on Saturday.

Objections may be made in writing to the Environment Agency at WR Permitting Support Centre, Quadrant Two, 99 Parkway Avenue, Sheffield, S9 4WF or by email to PSC-WaterResources@environment-agency.gov.uk, stating the grounds of the objection and giving an address or email address to which correspondence relating to the objection may be sent. The Environment Agency will pass to the applicant a copy of any objection it receives. Objections should be made immediately and, in any event, by the 12th January.

**HAMBLETON DISTRICT COUNCIL  
TOWN AND COUNTRY PLANNING  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS)  
ACT 1990, SECTION 69 AND 70  
NOTICE OF DESIGNATION OF SESSAY CONSERVATION AREA.**

Notice is hereby given that, pursuant to section 69 and 70 of the Planning (Listed Building and Conservation Areas) Act 1990, Hambleton District Council resolved on 12th December 2017 to designate a conservation area within the village of Sessay. This follows a period of public consultation in April, May and June 2017. The extent of the newly designated Conservation Area is shown on a plan. Hard copies can be viewed at the Civic Centre, Stone Cross, Northallerton, DL6 2UU and online version at [www.hambleton.gov.uk/conservationareas](http://www.hambleton.gov.uk/conservationareas)

The principal effects of being included within a Conservation Area are as follows:

1. The Council is under a duty to prepare proposals to ensure the preservation or enhancement of the area.
2. Consent must be obtained from the Council for the substantial or complete demolition of any buildings unless exempted (including those with a total cubic content no greater than 115 cubic meters)
3. Special publicity must be given to planning applications for development in the conservation area.
4. In carrying out any functions under the Planning Acts (and, in particular, in determining applications for planning permission and listed building consent), the Council and Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the area.
5. Six weeks written notice must be given to the Council before works are carried out to any trees.
6. The extent of works that may be carried out as permitted development without the need for planning permission is more limited for properties within the Conservation Area.
7. A conservation area designation also impacts on the display of advertisements within the conservation area.

**DRAX POWER LIMITED  
SECTION 48 PLANNING ACT 2008 - THE DRAX REPOWER  
PROJECT  
REGULATION 4 THE INFRASTRUCTURE PLANNING  
(APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE)  
REGULATIONS 2009  
REGULATION 13 THE INFRASTRUCTURE PLANNING  
(ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017  
NOTICE OF PROPOSED APPLICATION FOR A DEVELOPMENT  
CONSENT ORDER (DCO) FOR THE DRAX REPOWER PROJECT**

i. Notice is hereby given that Drax Power Limited of Drax Power Station, Drax, Selby YO8 8PH (the "Applicant") proposes to make an application (the "Application") under section 37 of the Planning Act 2008 to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ("DCO") to authorise the construction, operation and maintenance of up to two gas-fired generating units each with (subject to technology and commercial considerations) battery energy storage on land within the existing Drax Power Station site with associated development, including a new underground gas pipeline to provide fuel from the National Transmission System ("NTS") and connection to the existing 400kV national Grid substation ("the Repower Project").

ii. The Repower Project would comprise the repowering of up to two existing coal-powered generating units (units 5 and 6) at Drax Power Station with new gas turbines that would operate in both combined cycle and open cycle modes. Each repowered unit would have a new capacity of up to 1,800MW, replacing existing units each with a capacity of up to 660MW. Each repowered unit would (subject to technology and commercial considerations) be connected to its own battery energy storage facility with a capacity of up to 100MW. The total combined capacity of the Repower Project is, therefore, up to 3,800MW. Should only one unit be repowered then the capacity would be up to 1,900MW. Each repowered unit would include up to two gas turbines and up to two Heat Recovery Steam Generators. It is proposed that some of the existing infrastructure in the Drax Power Station site would also support the proposal including the steam

turbine and cooling solution. The fuel supply for the gas fired generating units is natural gas which would be supplied via a new gas pipeline from the gas transmission network to the east of the Drax Power Station site. The electricity generated by the gas fired generating units would be exported to a new banking facility on the Drax Power Station site, from which an underground cable connection would transport the electricity to the existing 400kV substation. Various highway powers to temporarily close highways and, for example, remove highway furniture will also be sought. The Repower Project also includes such infrastructure as is integral and necessary for the generation of electricity.

As the total combined capacity of the Repower Project is up to 3,800MW, it is a "Nationally Significant Infrastructure Project". The Applicant must therefore apply to the Secretary of State for a DCO under the Planning Act 2008, in order to construct, operate and maintain the Repower Project.

iii. The site for the proposed Repower Project comprises approximately 233ha of land comprising:

- Land predominantly within the curtilage of the existing Drax Power Station and within the ownership of Drax Power Ltd; and
- Land along the route of the proposed new gas supply pipeline options. Two routes are currently under consideration, both of which are approximately 3km in length and cross agricultural land to the east of Drax Power Station.

iv. The proposed DCO would, amongst other matters, authorise up to two existing coal-powered generating units (units 5 and 6) at Drax Power Station to be repurposed with new gas turbines that can operate in both combined cycle and open cycle modes. The main elements of the Repower Project are explained further below:

*Gas Turbines*

It is proposed to construct up to four separate gas turbines (up to two per repowered unit). Air will be drawn into the compressor of the gas turbine and compressed. Fuel is injected into the combustion chamber. The mixture of fuel and compressed air is ignited, producing gases at a high temperature. As the gas expands, it rotates the turbine to produce electricity.

*Heat Recovery Steam Generators*

It is proposed to construct up to four Heat Recovery Steam Generators (HRSGs) (up to two per repowered generating unit). The HRSGs recover the heat from hot flue gases from the gas turbines when operating in combined cycle mode. The heat is used to produce steam that will drive the existing steam turbines. Each HRSG will have a main stack, expected to be up to 120m in height. When operating in open cycle, the exhaust gas from each gas turbine will be sent direct to the atmosphere through a bypass stack, again up to 120m in height.

*NOx Abatement Technology*

NOx abatement technology may be included in the repowered units should there be a need to mitigate the amount of nitrogen oxide emissions from the plant.

*Cooling Solution*

Cooling for the new gas turbine generating units will be provided by the existing condensers for the steam turbines and existing cooling water infrastructure including reuse of the existing northern group of six cooling towers, cooling water make-up intake and cooling water outfall and other associated infrastructure.

*Operation/maintenance and Control*

The repowered units 5 and 6 would be operated and controlled from the current Drax control room which is situated onsite. The proposed generating equipment would be capable of responding to requests from National Grid to provide short-term additional generating capacity and other ancillary grid services, as well as selling electricity into the market. Gas generation allows the new units to respond rapidly to changing demands of the electricity market.

*Battery Energy Storage Facility*

Each new gas turbine generating unit would be connected to its own battery energy storage facility, which would each have a capacity of up to 100MW and which would support the repowered units in providing fast and flexible electricity export and other ancillary services to the National Grid.

The plant will be designed to operate for up to 25 years after which the continued operation of the repowered units will be reviewed. If it is not appropriate to continue operation, the repowered units will be decommissioned.

The Repower Project includes associated development, including:

- *Gas Pipeline* - a circa 3km pipeline connecting the generating units to the Gas transmission network. The pipeline would extend eastwards from the Drax Power Station site and include supporting infrastructure such as a Minimum Offtake Connection (MOC), Pipeline Inspection Gauge (PIG) Trap Facility (PTF) and on site Pressure Reduction and Metering Station (PRMS). Whilst the intention is to obtain authorisation to acquire the land, construct and operate the gas pipeline under the DCO, a separate planning application may be made for the pipeline to Selby District Council. However, the DCO application would seek compulsory acquisition powers for the pipeline should voluntary agreements with landowners not be obtained for the gas pipeline route.
  - *Electrical connection* - For both repowered units the output from each generating unit would be banked using Gas Insulated Switchgear (GIS) housed in a new building close to the generating units. Connection from the GIS banking buildings to the existing National Grid 400kV substation would be by either:
    - An underground cable; or
    - An underground cable that terminates in a new cable sealing end compound outside of the boundary of the existing National Grid 400kV substation and is connected to the existing equipment using overhead conductors.
  - The existing electrical connection for each steam turbine will remain unchanged.
  - *Carbon Capture Readiness* - the gas turbine generating units will be designed to be carbon capture ready, with the appropriate area of land provided to meet this requirement.
  - *Switchyard and Transmission Plant Works in existing 400kV National Grid Switchyard* – as these works are within the existing 400kV switchyard which is owned and operated by National Grid, they may be undertaken by National Grid, but are currently included in the proposed redline.
  - *Construction Laydown* - several areas within the Power Station Site and adjacent area have been identified for use as a temporary construction laydown.
  - *Temporary bridge* - an area of land owned by Drax has been identified for use as construction laydown and/or contractor car parking. This area is separated from the Drax Power Station site by New Road, which is a public highway. In order to avoid staff crossing this road on foot a new, temporary pedestrian bridge will be constructed linking the contractor laydown/car parking area with the Drax Power Station site.
  - *Potential temporary crane on jetty* - the existing Drax Jetty on the River Ouse may be used for loading and unloading of large plant and equipment up to the Jetty's current rating of 200 tonnes. Some works may be required to enable the transfer of large plant and equipment from river barges to land transport. These works would comprise: location of a mobile crane alongside the jetty, associated security lighting, fencing and storage and welfare facilities and laydown areas. In the event the jetty cannot be used, material will be brought to site by road instead.
  - *Demolition and relocation of existing facilities* – in order to construct the new generating units and associated facilities, it is proposed to demolish and relocate existing facilities at the Drax site. This would include the Turbine Outage Stores, Learning Centre, contractor's compounds and welfare facilities (temporary), sludge lagoons and a squash court. Some of these works may be undertaken in 2018 as part of ordinary site reconfiguration works, but in any event the works would be included in Drax's environmental assessment of the proposed Repower Project.
  - *Other ancillary works* - it may be necessary to remove and restring some of the existing overhead lines during the construction phase of the development. These works would be led by National Grid.
  - *Highway Powers* - powers to carry out some highway works may be necessary in order to transport Abnormal Indivisible Loads (AIL) from the M62 to the Drax Power Station site. These powers are likely to include the temporary stopping up of roads and removal of barriers. The land will be reinstated to its former condition once the AILs are delivered to site. No development is proposed.
- v. The Application would seek the authorisation of the Repower Project through the DCO. The DCO would include powers required to construct and operate the project including compulsory acquisition powers for the permanent acquisition of land and / or rights over land. The DCO may also include (if required) powers for the temporary

occupation of land, the extinguishment or overriding of easements and other rights over or affecting land required for the Repower Project, the application and / or disapplication of legislation relevant to the Repower Project, highway powers and tree and hedgerow removal, amongst other matters.

vi. The Repower Project falls under Schedule 1 paragraph 2(1) (Thermal power stations and other combustion installations with a heat output of 300 megawatts or more) of the Infrastructure Planning (Environment Impact Assessment) Regulations 2017 (the 'EIA Regulations 2017') and is therefore "EIA Development". The DCO application will be supported by an Environmental Statement ('ES') that will be prepared following the undertaking of an Environmental Impact Assessment ('EIA'). The EIA will be undertaken in accordance with a 'Scoping Opinion' that has been issued under Regulation 10 of the EIA Regulations 2017 by the Planning Inspectorate on behalf of the SoS on 23rd October 2017. This Scoping Opinion sets out the scope of the environmental assessments that must be undertaken by the Applicant in order to adequately assess any potential significant effects. The ES will provide a detailed description of the Repower Project and its environmental effects, as well as other matters required by the EIA Regulations 2017. As part of this consultation, you can view the Preliminary Environmental Information Report ("PEIR"), which sets out the Applicant's preliminary view of the likely significant effects based on the assessment undertaken to date. A non-technical summary of the PEIR is also provided. The Scoping Opinion, PEIR and non-technical summary can be viewed at: <http://repower.drax.com>.

Section 216(3) of the Insolvency Act 1986 lists the activities that a director of a company that has gone into insolvent liquidation may not undertake unless the court gives permission or there is an exception in the Insolvency Rules made under the Insolvency Act 1986. (This includes the exceptions in Part 22 of the Insolvency (England and Wales) Rules 2016). These activities are - a) acting as a director of another company that is known by a name which is either the same as a name used by the company in insolvent liquidation in the 12 months before it entered liquidation or is so similar as to suggest an association with that company; (b) directly or indirectly being concerned or taking part in the promotion, formation or management of any such company; or (c) directly or indirectly being concerned in the carrying on of a business otherwise than through a company under a name of the kind mentioned in (a) above.

This notice is given under of Rule 22.4 of the Insolvency (England and Wales) Rules 2016 where the business of a company which is in, or may go into, insolvent liquidation is, or is to be, carried on otherwise than by the company in liquidation with the involvement of a director of that company and under the same or a similar name to that of that company.

The purpose of the giving of this notice is to permit the director to act in these circumstances where the company enters (or has entered) insolvent liquidation without the director committing a criminal offence and in the case of the carrying on of the business through another company, being personally liable for that company's debts.

Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name.

Notice to the creditors of an insolvent company of the re-use of a prohibited name - Rule 22.4 of the Insolvency (England and Wales) Rules 2016

The above-named Company entered insolvent liquidation on 18 December 2017.

I, Peter White of Bourton End House, Bourton, Swindon, SN6 8JQ was a Director of the Company during the 12 months ending with that date.

Notice is hereby given that it is my intention to act in all or any of the ways specified in section 216(3) of the Insolvency Act 1986 in connection with, or for the purposes of, the carrying on of the whole or substantially the whole of the business of the insolvent Company. The name under which the business is to be carried on is W J White Contract Furniture Ltd.

I would not otherwise be permitted to undertake those activities without the leave of the court or the application of an exception created by Rules made under the Insolvency Act 1986. Breach of the prohibition created by section 216 is a criminal offence.

Section 216(3) of the Insolvency Act 1986 lists the activities that a director of a company that has gone into insolvent liquidation may not undertake unless the court gives permission or there is an exception in the Insolvency Rules made under the Insolvency Act 1986. (This includes the exceptions in Part 22 of the Insolvency (England and Wales) Rules 2016). These activities are - a) acting as a director of another company that is known by a name which is either the same as a name used by the company in insolvent liquidation in the 12 months before it entered liquidation or is so similar as to suggest an association with that company; (b) directly or indirectly being concerned or taking part in the promotion, formation or management of any such company; or (c) directly or indirectly being concerned in the carrying on of a business otherwise than through a company under a name of the kind mentioned in (a) above.

This notice is given under of Rule 22.4 of the Insolvency (England and Wales) Rules 2016 where the business of a company which is in, or may go into, insolvent liquidation is, or is to be, carried on otherwise than by the company in liquidation with the involvement of a director of that company and under the same or a similar name to that of that company.

The purpose of the giving of this notice is to permit the director to act in these circumstances where the company enters (or has entered) insolvent liquidation without the director committing a criminal offence and in the case of the carrying on of the business through another company, being personally liable for that company's debts.

Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name.

# Terms and Conditions Relating to Submission of Notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is the Official Public Record and the United Kingdom's longest continuously published newspaper. It has been published by Authority since 1665. The Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "**The Gazette**" shall include the London, Belfast and Edinburgh and any supplements to the Gazette, as well as all mediums, including the online and paper versions of the Gazette.

The Gazette is published by the Publisher (as defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office at The National Archives. Notices received for publication can fall under the following broad headings:

Church, Companies, Education and Qualifications, Environment and Infrastructure, Health and Medicine, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at [www.thegazette.co.uk](http://www.thegazette.co.uk).

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website [www.thegazette.co.uk](http://www.thegazette.co.uk) (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified terms and conditions. By submitting Notices to The Gazette after the Publisher has published notice of such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

## 1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any company, firm or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at <https://www.thegazette.co.uk/place-notice/pricing> as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Local Newspaper Notice**" means any notice placed in a local newspaper rather than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) placed in The Gazette, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited, with registered company number 03049649.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion, edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4.1 - 4.5 above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication or the timing of any publication of a Notice, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have the sole and absolute discretion to refuse to publish where the content of the Notice, in the publisher's sole opinion, may not comply with any such requirements. In such instances, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 Neither the Publisher nor The National Archives (or any successor organisation) (including affiliates, officers, directors, agents, subcontractors and/or employees) shall be liable for any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs (including on a full indemnity basis) and other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees.

7 For the avoidance of doubt, subject to clause 6 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error including which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon becoming aware of such error, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and full extent of the limit of the Publishers liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is not false, inaccurate, misleading, nor does it contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise) nor is it in any way illegal, defamatory or an infringement of any other party's rights or an infringement of the

British Code of Advertising Practice (as amended and updated from time to time), nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify and hold the Publisher and The National Archives (or any successor organisation), including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice, including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach, threatened and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or any breach and/or potential breach by the Advertiser of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at [www.thegazette.co.uk](http://www.thegazette.co.uk) and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final. Other than withdrawal of a Notice following a claim or threatened claim, withdrawal of a Notice post-publication shall take place only upon the written instructions of The National Archives (or any successor organisation) or if there is a credible claim that the continuing presence of a Notice endangers an individual's personal safety or a request is received from any applicable regulatory and/or enforcement authorities.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette, and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest and that the information contained in the Notices published in The Gazette may be used by third parties after publication for any purpose and that such use may be beyond the control of The Gazette. In such instances, the Publisher accepts and the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the Data Protection Act 1998, as amended ("DPA"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.2.1 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

19 In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to [customer.services@thegazette.co.uk](mailto:customer.services@thegazette.co.uk)

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and

Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
